The agent will then send to the Commissioner of Indian Affairs his certificate as provided by law. All the blanks must be properly filled in every case.

If the information called for on any part of the blank is not known, that fact should be stated. No space should be left unfilled. Whether the parents are living or dead, their names must be given.

The person who signs the blank as consenting to the transfer should indicate his relation to the applicant by marking out the word "parent," "guardian," or "next of kin," leaving unmarked only the title appropriate to the signer.

INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case; but in all cases where the parents are living they should first be consulted.

My dear Sir:

Your daughter Emma's period of enrolment at this school having terminated, arrangements have been made to have her leave here this evening with Anna Rollette for your home. Transportation to Medicine Lake will be provided for her use.

Emma has had splendid training in house-keeping and she is fitted to work in the Indian School Service as a matron. I believe she can pass the required examination for appointment to such a position and if she desires to be considered for such an appointment I will gladly assist in completing the necessary arrangements for her examination.

Hoping that you will be well pleased with the progress she has made here and that you will notify me when she has arrived at your home, I am,

This box was left here last spring and instructions given to one of the clerks by Miss Gromboise to forward it by express, collect, to Medicine Lake, Montana. I have no interest in the box other than this.

Miss Gromboise is now at Devil's Lake, North Dakota. If she does not reply to your communication regarding the box, I would suggest that you dispose of it in whatever manner you dispose of other unclaimed goods.

Very truly yours

Supervisor in Charge.
