Dec. 14th, 1914.

Mr. Edwin Minor,
Superintendent, The Kickapoo Agency,
Horton, Kansas.

My dear Sir:

On November the 30th it was reported to me by our School Physician that George Allen had been admitted to the Hospital for treatment, being afflicted with a case of acute gonorrhoea. Since then it has required constant vigilance to keep George on the school grounds in order that regular treatment could be given him. He has now recovered to an extent that he will not be a menace to the health of any one at his home and it has been arranged to send him away from Carlisle. He will leave here tomorrow evening and transportation for his passage to Horton will be provided for his use.

From the amount of \$41.00 to his credit in our school bank \$5.00 will be given him in cash to pay for incidental expenses enroute home. The balance that will not be required to pay for his transportation will be sent to you later.

Regretting that George's conduct has made it necessary to take such drastic action, I am,

Very truly yours,

HKM.

Supervisor in Charge.

Dec. 14th, 1914.

Mr. Griffiths:

George Allen is to leave for his home on train
at 5.40 tomorrow evening. (Tuesday).

You will please have his name reported "dropped".

I have requested Mr. Peel to give George \$5.00
in cash some time tomorrow. The balance of the \$41.00
to his credit will have to be held until the cost of his
transportation is paid.

Very respectfully,

HKM.

Supervisor  in Charge.
