My dear Sir:

Our School Physician has reported to me that he has had to treat Manuel Romero for a case of venereal trouble that is just about cured, but because it has been decided not to allow boys in that condition to remain at Carlisle this year his return home will have to be effected. Manuel should pay for his transportation home and an amount which can be used to reimburse the government for what was expended in bringing him to Carlisle. As near as it can be determined now an amount of \$66.91 will be required to cover the two amounts.

Manuel came to my office yesterday and requested me to recommend the transfer to his credit here of his "Sioux Benefit" money, and in view of the fact that the government should not be required to transport him to and from school it is hoped you can co-operate with me at once to make funds available from some source.

Very respectfully,

Mr. J. J. Duncan,

Pine Ridge, S. D.

My dear Sir:

The applications to cover the enrolment at Carlisle of Manuel Romero and Joseph Old Shield were received here this morning with your favor of September the 21st.

It is to be regretted, however, that the boys were not examined by a physician before they were sent on, because Manuel Romero's condition would then have been revealed and it would not now be necessary to have him expend what will be required to pay for his transportation home and to reimburse the government for the amount that was expended in bringing him to Carlisle.

No other students should be selected for Carlisle unless a satisfactory physical examination is passed and the findings of such examination are recorded on blank 5-354 for permanent record.

Very respectfully,

Dear Sir:

I will return you two of the applications. I was sorry to let the go without examination, but the Agency Physician's position has been vacant for several months, and the physician at the Boarding school is on his vacation. The two bags had not come to the agency until I had started with the rest to Rushville, and I met them on my way back. I thought of getting a physician at Rushville to examine them, but they did not get in in time.

Mary Chief's father is off the reservation now. He wanted her to go very badly, and gave her \$25.00 at Rushville.

Very respectfully,

D. S. Inspector.

OFFICE OF INDIAN AFFAIRS
RECEIVED
NOV 27 1914

My dear Mr. Brennan:

Manuel Romero, a pupil enrolled at this school from your agency, has been giving a great deal of trouble here since his return, September 13th. I am informed that Manuel made a very fair record here during his previous term of enrollment, and there was no hesitancy in placing transportation for his return this fall. Somehow he started in bad from the very beginning this year and all efforts to get him to see the importance of taking advantage of his opportunities appear to be without avail. This morning he told the disciplinarian that during the summer vacation he was continually in bad company at home, and that on his way back to Carlisle he stopped in Omaha and there left the rest of the party and went down town and associated with women of ill-fame, and then when he got to Carlisle instead of coming out to the school he met two other boys down town, and they went to Harrisburg, and he loafed around about two days before he showed up at the school.

Several weeks ago in making a thorough examination of all the boys, our physician discovered that Manuel was afflicted with venereal disease. According to Manuel's

Mr. J. R. B....#2.

story he contracted this disease in Omaha. He has, however, been practically cured of this so that there is no longer any danger of serious results. He told the disciplinarian this morning that it was no use for him to make any more promises that he would do better for he could not do it. He refuses to go to School or to do anything he is told to do and shirks every duty and responsibility that is placed upon him. There seems to be nothing further we can do for him here, and I believe about the best thing that could be done would be for his father to have him returned home and put him to work on the farm. I hardly think it would be a proper charge for the Government to pay his expenses home under these circumstances. As the fault is all his own and he refuses to cooperate with us to improve his conduct. Please bring this matter to the attention of his people and let me have your recommendation regarding Manuel.

Very respectfully,

Dear Sir

Mr. Philip Romero,

Box 65, Pine Ridge, S. D.

My dear Sir:

I have noted in your letter of November the 14th that you have referred the question of who shall provide the funds for your son Kannell's transportation home to Mr. Brosius of the Indian Rights Association. In reply thereto I must state that Manuel will probably be sent home soon, but I yet insist that he should then be compelled to reimburse the government for what had to be expended to bring him to Carlisle and to send him home.

Manuel's misconduct on his way to Carlisle made it inadvisable in the first place to keep him here and now his absolute unruliness is resulting in no gain whatever to him. You will be notified at a later date just when to expect him.
