INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Mr. Juan Jose,

Laguna, New Mexico.

My dear Sir:

I am very sorry that I must advise you that your son Francisco was again intoxicated yesterday. As it was not his first offense it is believed inadvisable to keep him here any longer and arrangements are being made to have him start this evening for your home. Transportation for his passage to Laguna will be procured for his use and he will be required to pay for the same from earnings that have been saved for him.

I would thank you to let me hear from you when your son has arrived at your home.

Very respectfully,

H.M.

Superintendent.

Until the entire amount is collected it will be best to hold here what is now to your credit. I trust you can arrange to get along for a little while longer without drawing on the amount we are holding for you.
