Mr. Edwin Minor,
Superintendent, The Kickapoo Agency,
Horton, Kansas.

Dear Mr. Minor:

Our enrolment records contain the information that Isaac Shuck-kah-o-see was enrolled at Carlisle on December the 19th of 1912. According to the rules then in effect he will not be entitled to return home this year at government expense.

When Isaac was seen at this office this morning he stated that he may want to go home for a short visit later in the summer, so I would thank you to advise me what your wishes in the matter are. He does not have a sufficient amount of money now to his credit here to pay for his return expenses in case permission is to be given him to go home.

Very truly yours,

HKM.

Superintendent.

Remarks and recommendations of superintendent with reference to eligibility and need of Federal aid:

Superintendent.

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.
