NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.

Mrs. Emma Ranco,
Old Town, Maine.

Dear Madam:

Your son Joseph has requested me to write to you relative to his return home for the summer months. Now that a number of the students are going to their homes for the summer he too is anxious to have that privilege.

I would thank you to let me know what your plans for Joseph are so that he can be advised.

Very truly yours,

HXM.

Superintendent.

March 24th, 1915.

Mrs. Joseph Ranco,
Old Town, Maine.

Dear Madam:

I have noted in your letter of March the 22nd that you desire to have your son Joseph spend the vacation months at home with you. Such arrangements can be made, but it is desired that he shall remain here until after the close of school the latter part of May. His return home can then be effected about the 1st of June.

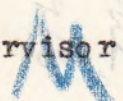

In view of the fact that you paid Joseph's transportation to Carlisle you will be required to send only what will be needed to pay for his return home and not the additional amount that is usually demanded to insure the return to Carlisle of those who are granted a leave of absence.

I am glad to know you have been pleased with the progress that has been made here by Joseph and that the reports that have come to you have been as satisfactory as you desired they should be.

Very respectfully,

HKM.

Supervisor in Charge.

Old Town, Me.

Dear Sir:-

I would like to know

if Joseph Parco. Can come
home for his summer vacation
as I would like to have him here
to work as he can earn money
easy than he can out there and
besides he can't stand hot weather
of course he will go back in
the fall. he has done very well

since he has been out there
and I am very pleased with
his reports cards.

Write me and let me know
what time he can come home
so I can send him the money
for his fare.

and oblige

Mrs. Joseph Ramo.
