INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Dear Sir:-

I am writing to you Mr. Dippo for my brothers school papers we are working for the U.S. Cartridge Co. and my brother James Mitchell will need his school papers before he can work any longer.

I do not need mine and I do not know what they mean by school papers I guess they want to find out how old he is and where he went to school.

Will you please send them as soon as you can I would like to see my brother make good at his work.

The head man told me to send this letter & registered so I did it.

Mr. Frank Mitchell,

48 Lawrence Street, Lowell, Mass.

My dear Friend:

In compliance with the request that is contained in your letter of the 11th instant, this is to state that your brother James was enrolled at Carlisle in 1912 and that when he left here he had completed but Second Grade work. Our records show further that James was born in 1899.

Trusting that this information will be what is required by your employers and hoping that some arrangement can be made whereby James can take additional school work, even though employed, I remain,

Your friend,
