My dear Sir:

Edward Burns Prairie, who has been enrolled here from your Agency since last year, has come to me with a request that arrangements be made to have his thirteen year old brother Tom transferred here before the opening of the new school year on September 1st.

In view of the fact that Edward is enrolled here the younger boy can be admitted providing it is arranged to pay for his transportation to Carlisle. If it is advisable, therefore, to have the boy come here I would be pleased to have you indicate in what way I can assist you to effect the transfer.

Very truly yours,

June 17th, 1914.

Mr. Harry Little Soldier,

Pine Ridge, South Dakota.

My dear Friend:

I have noted the request you conveyed to me in your favor of June the 1st to the effect that you desire to have Edward Burns Prairie come home for the summer vacation months. I would prefer to have Edward continue with his work here so that he will be ready to go right ahead at the opening of the new school year in September, but in order that this request can be given further consideration you should secure the approval of Superintendent Brennan of the Pine Ridge Agency. I can then be guided by his recommendation because he is in a position to know better than I just what use Edward could make of his vacation.

An amount of about \$70.00 would have to be placed on deposit with Superintendent Brennan or with me here to defray Edward's traveling expenses.

In this connection I will state that Thomas Burns Prairie is staying at the home of Mr. Geo. Tindell at Robinsville, New Jersey.

Very truly yours,

HKM.

Dear friend:

Will write you
today about the vacation
that Ed. Burns Prarie is
anxious to have this month.

That I am willing to have
him to do so, and that
I will pay his fare in
coming home and also
in going back. And this
is what I am anxious
to have you to tell me
the exact amount on
both ways, and also
I am anxious to know
if Thos. B. Prarie is
still in Carlisle or

send to some
else and address
me. Those boys
mine are both
dying to learn something
and I will beg your
pardon to let Ed. B. Baie
have his vacation. He
is going back again
any way.

Sir:

Referring to your letter of June 17 to Mr. Harry Little Soldier, a copy of same being sent to this office, will say that the large expense, \$70., connected with the return of Edward Burns-prairie to this reservation for the summer, would be very considerable for his people to pay, and for this reason we do not advise his return.

Very respectfully,

My dear Sir:

I thank you for the information you conveyed to me in your favor of the 19th instant, to the effect that Edward Burnsprairie has arrived at your home. As you are detaining him it will be satisfactory to put him to work until he has earned enough money to pay for his transportation to Carlisle. Will you let me hear whether such a plan meets with your approval?

Assuring you that your kind co-operation is appreciated, I remain,

Very truly yours,

Edward Burnsprairie:

I submit below for your information and guidance a copy of a letter that was addressed to me on the 20th instant by Superintendent Brennan of the Pine Ridge Agency:

"Referring to your letter of April 9, in which you state that Edward Burnsprairie has requested that permission be granted him to return home, will say that his stepfather states that he knows no reason why Edward should return home."

Mr. John R. Brennan,

My dear Sir:

Edward Burnspairie has come to me with a request that he be given permission to return home in order that he can attend to some business affairs before he returns here in June to continue with his school work by attending the sessions of some summer school here in the east.

His period of enrolment at Carlisle terminates at the close of this school year, but his return home at this time cannot be effected unless it is recommended by you.

Will you kindly let me hear from you as promptly as possible? If Edward's request is to be given favorable consideration his return home should be effected as soon as convenient.

Very respectfully,

HKM.

Dear Sir:-

May 11th, 1915.

This letter is in connection with Edward Burns Prairie who is now at that school for the last three years and who signed an application for a year of three years and whose term expires next June.

Mr. Harry Little Soldier,

Pine Ridge, South Dakota.

My dear Sir:

Referring to your letter of the 6th instant, this is to advise you that Edward Burns Prairie is entitled to return home this year and that it is being arranged so that the boys of this school whose terms of enrolment end this year can leave here on June the 3rd.

Some time ago when Edward requested permission to return home before the close of the school year he was advised that he could do so providing he would pay for his transportation from his own funds. Evidently he is now planning to wait until June 3rd.

Thomas Burns Prairie is in good condition and seems to be getting along well with his studies. If his return home is desired this year it would have to be at your own or his expense for transportation.

Very truly yours,

HKM.

Supervisor in Charge.

Dear sir:-

This letter is in connection with Edward Burns Prairie who is now at that school for the last three years and who signed an application for a term of three years, and whose term expires next June.

And it is for this reason that I want Edward Burns Prairie to come home. I want you to send me information as to when he leaves that school for home.

And as to his brother Thomas who is also at that school, I want to know of his condition

~~and~~ in general.

Because Edward is entitled to come home I am going to speak to Mr. Brennan the Agent here about this matter.

I am trying to have Edward come home because I have lots of work to do and because I know Edward is able to do such work and a great help to his folks.

I want my son to help us along now because he has been to schools every year since he was able to go to school therefore we need his help greatly.

I want you to talk to Edward about this matter Mr. Ripps, just as soon as you can, and I will be greatly satisfied and so will the rest of my family.

Yours Respectfully
Harry Little Soldier

SUGGESTIONS FOR SUPPLYING THE INFORMATION REQUESTED ON THIS BLANK

1. The report of nonreservation school Superintendent should be made at the time or a little before the pupil leaves school, whether at the end of the school year or during the school year, provided the pupil is 18 years of age or over, or younger, if for any special reason the pupil is quitting school permanently. As soon as this report is received, or at least very soon after the pupil returns home, the Supervisor of Indian Employment will correspond with the returned student for the purpose of getting more in personal touch with him and finding out something about his wishes, etc. His answer will be attached to and filed as part of this report.

2. Health, height, and weight of returned students are sometimes very important in placing them properly; height and weight could be approximated very satisfactorily, though from the pupil records now in use all information called for in part 1 of this blank can readily be obtained and be definite.

3. The State, agency, and tribe are important, and where the pupil is not attached to any agency this fact should be stated and the Superintendent should give all available information as to the home and local conditions surrounding the pupil.

4. Where the outgoing pupil has passed the civil-service examination for any position, this fact should always be noted, giving position for which examination was taken.

5. It should be remembered that the Supervisor of Indian Employment can but seldom have a personal acquaintance with the outgoing student, and that he must depend on the information furnished in this report for his basis of action in behalf of the pupil.

6. The degree of Indian blood should always be given, as this fact largely determines how much effort will be made on behalf of any particular returned student; qualifications being equal, or nearly so, the preference will be given to those having the greatest degree of Indian blood.

7. This report should be forwarded promptly to the Supervisor of Indian Employment, Indian Office, Washington, D. C.

8. Reports on students from reservation schools should be made only as to those who leave the schools at 18 years of age, or older, and who will probably not go away to school.

9. If part 1 of this report is made out by the principal of a reservation school, the reservation Superintendent should supply information called for in part 2 if the principal is not informed as to home surroundings and local conditions. Such information is essential to a proper understanding of the difficulties and needs of the pupil.

10. When part 1 is made out by a nonreservation Superintendent, this blank will be sent by the Supervisor of Indian Employment to the Superintendent of the reservation where the outgoing student belongs. He should fill out part 2 and return the blank as promptly as possible, for practically nothing can be done until the information called for in part 2 is supplied.

Information under the heading "Employed since return as follows," will be valuable only in cases where the pupil has been home for some time.

Mr. John R. Brennan,

My dear Sir:

Edward Burnsprairie, who is to leave here tomorrow evening to go to his home on the Pine Ridge reservation, has requested permission to return to Carlisle after he has visited his people for a short while. It is his desire to apply to you for the use of funds he claims he has to his credit, and, judging from the earnestness with which he has devoted himself to his studies here, I believe his request may be given as favorable consideration as is possible.

If I can co-operate with you further in his behalf do not hesitate to let me hear from you in what way such help can be given.

Very truly yours,

Remarks and recommendations of superintendent with reference to eligibility and need of Federal aid:

Superintendent.

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.
