INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Dear Sir

My dear Madam:

I cannot understand why your son, Albert Bean, should misrepresent matters to you as he did in the letter you refer to in your favor of January the 26th. There is absolutely no truth in the statement that he is going to fight a regularly scheduled match, and as far as I know there are but one or two boys here who indulge at all in boxing as a form of exercise.

I enclose herewith a statement from your son in regard to the matter.

Very respectfully,

Encl.

My dear Sir: young man Mrs. Duncan was instrumental in sending to Carlisle. I remain,

I thank you for your favor of February the 8th, bringing to my attention the fact that you and Mrs. Duncan are interested in Albert Bean, who has recently been enrolled at Carlisle.

I am pleased to have you show such interest and to be informed regarding Albert's tendencies. That will give us a chance to understand him the better and to advise and direct him as he may need it. Our Disciplinary has read your letter and you can rest assured that he will do everything possible to help Albert to get started anew at Carlisle. I understand that Albert has done very well here and it is hoped that further favorable reports can be conveyed to you regarding him.

Jesse Wofford has proven himself a splendid young man and if he continues to do as well as he has he should be a credit to himself, his friends and this school. Wilson Wofford, who is known here as Wilson Wyly, has also been doing

To The President of the United States Marshal School,
My Dear Sir,
for the three young men Mrs. Duncan was instrumental in sending to Carlisle, I remain,

I endeavor to address you in behalf of a good boy, always ready to respond to appeals from those who be unfortunate and need help, he is a son of one of our citizens who during his life acquitted him self with honor as a citizen of this country; But Albert, for come rather a wward boy, to some extent not thorough for his truth and veracity, he seems to dream those moving pictures of Desperate characters.

Very respectfully,

HKM.

Supervisor in Charge.

It was thru the influence of my wife Mrs Joanna Duncas, (one of the noted teachers of Oklahoma) that he was induced to go to school and I would be much pleased to see him a success. It fact we have three boys there who wen at her suggestion, viz, and Wilson Wofford and Albert Bean, she took especial interest in these boys and succeeded in getting them off to your school. Now- While we do not wish to have you over reach your prescribed program, we would be glad to have you hold you have completely mastered them and made men of them.

These three boys are indians and we both are indians, he glad to see them return with the proper training. I do not just what your mode of government is but am sure it is right to make men of them.

I do not wish to be harsh but am quite sure the importance of plain talk. Would be glad to hear from you any time about either of the. Most Respectfully Yours.

To The President of

My Dear Sir-

I endeavor to address you in behalf of one of your boys you have from my town (Ochelata Okla,) (Albert Bean) He is naturally a good boy, always ready to respond to appeals from those who might be unfortunate and need help, he is a son of one of my best friends who during his life acquitted him self with some honor as a civil citizen of this country; But Albert, for want of training has become rather a waward boy, to some extent not thoroughly reliable for his truth and varacity, he seems to dream those "Day dreams" of moving pictures of Desparate characters.

It was thru the influence of my wife Mrs Joanna Duncan, (one of the noted teachers of Oklahoma) that he was induced to go to your school and I would be much pleaeased to see him a success. In fact you now have three boys there who wen at her suggestion, Viz, Jesse Wofford and Wilson Wofford and Albert Bean, she took especial interest in these boys and succeeded in getting them off to your school. Now- While we do not wish to have you over reasch your natural and prescribed progarme, we would be glad to have you hold them until you have completely mastered them and made men of them.

These three boys are indians and we both are indians and would be glad to see them return with the proper training. I do not know just what your mode of government is but am sure it is right if you make men of them.

I do not wish to be harsh but am quite sure that you understand the impotence of plain talk. Would be glad to hear from you ant any time about either of the. Most Respectfully Yours.

I will arrange to sent it to you by express charged

left the school. I am glad to know from your
letter that you realize that you make a mistake
in leaving the school in the manner in which you
did. If you think you cannot return to Carlisle
I hope you will be able to continue your school-
