INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

He should arrive at Nyando the following day, to which point transportation for his use will be procured.

I would thank you to let me hear from you when he has arrived at your home.

My dear Friend:

I have just learned that your ticket home is to cost \$11.93 and that but \$11.73 was retained here to pay for the same. It will be appreciated, therefore, if you will send to me at once twenty cents in stamps to cover the balance yet due from you. The envelope I enclose may be used without a stamp.

Hoping you had a pleasant trip home and that I shall hear from you soon, I am,

Mr. Mitchell Tarbell,

My dear Sir:

Upon receipt of your letter of the 11th instant I had inquiry made about your record and learned that it was not at all satisfactory. There appears on your card the information that you deserted at least twice during the three years you were enrolled.

Such action on your part shows that you did not appreciate the opportunities you had and it is my belief that you should now try to get along without the help you did not care to profit by when you were a student here.

Very truly yours,

It is nearing school time and I would like to come back and take a course which is to be offered here when school opens.

I thought I would
write a few lines to you this morning
to let you know how I am getting
along and how I spent the summer.

Well I had a very pleasant
vacation this summer right around
home, some times playing baseball
and sometimes playing lacrosse.

It is nearing school time and
I would like to come back and
take a course which is to be offered
here when school opens.

Which I can take without ^{taking} examinations
for the eighth grades.

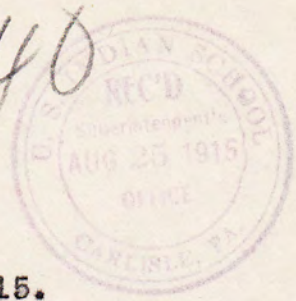

I will pay my way back to school.
I hope I will hear from her you soon

Mitchell Tarbell is a much better boy in every way than one or two I could name who have been readmitted. I believe he would do all right and I would recommend that he be permitted to come back with the strict understanding that he does not come up the mark set by him in his last year. We shall perhaps do considerable more than merely fire him.

Sept. 28th, 1915.

Please see Miss Donaldson's note herewith.

Mr. Mitchell Tarbell,

Respectfully,

Hogansburg, New York.

My dear Friend:

It has finally been decided that another chance will be given you at Carlisle if you are yet anxious to return here for this year's work. It has been learned that your conduct in the academic department was better than on the outside and that is in your favor. Let me hear, therefore, when you may be expected.

I will also take this opportunity to call to your attention the fact that you are now old enough to leave alone the boyish pranks that got you into trouble from time to time. You must realize that good use must be made of your time and that indifference on your part will not again be tolerated.

You are not a bad boy and you will have just as good an opportunity as any one to show that our confidence in you was not misplaced when favorable consideration was given your request to return to Carlisle.

Very truly yours,

HKM.

Superintendent.

Mr. Huff;

I am surprised and sorry to learn that there is any question in regard to the return of Mitchell Tarbell. Of his record outside the classroom I know nothing, but if without lowering the standard of discipline set by the officials of the school, he can be allowed to return, I shall be very glad.

He was one of the younger pupils in Room 10 and while his average for the year was only 77.76%, I considered him a very promising pupil. His youth seems to me much in his favor.

After January, when I took charge of Room 10, his lowest grade in deportment was 86 and this was given, not because of any flagrant disobedience, but because he sometimes allowed his desire for fun to lead to disorder.

Yours very respectfully,

Clara P. Donaldson

My dear Sir,

I was glad to hear from you, and at the same time ^{very sorry} to hear about my record while here at this school. I know I deserted twice in three year's time and I am very sorry I did. But if I could only come back to this school I'll make a better record. Yes I did not appreciate the opportunities as I ought have had and I am very sorry for it now.

I am up pretty well in grade now and in three year's time I would be farther on in school.

I hope to hear from you soon
