Mr. LIPPS:-

William Edwards who is regularly enrolled in the Second Year of the Vocational Course (formerly Grade VIII), asks me to recommend him for the outing party now about to leave for the country. There are so many factors entering into his case that I must leave the final decision to yourself, in case you care to entertain his request at all.

(1) It is not the policy of the Academic Division to recommend for the outing any boy or girl belonging to any one of the classes in the four years of the regular vocational course (which is to say, in other words, that only prevocational pupils are recommended); (2) if William were to go to the outing now, he would lack two months of finishing the academic work of Second Year Vocational, as well as the industrial work he may be carrying (I don't know what line he is carrying but Mr. Bradley of course knows); (3) if William were to go out now, he would, of course, want promotion to Third Year Vocational; and it would be difficult, in case of a pupil in as high a grade as his, to give him promotion when he had missed the last two months of our session; (4) on the other hand, Miss Reichel, who gives William the most of his academic instruction, says that he has shown signs of serious weakening in his academic work because of apparent failing health and that she suspects that further confinement to school room work may possibly result seriously for him; that sometime ago, she took him severely to task several times for not coming up to the scratch in his work and he said he was unable to get the work out; that soon after that, he came to her school room with the glands of his neck all swollen, but that it was not mumps that was working on him; that he makes an energetic effort to keep up, ~~and~~ that he has a fine record as regards conduct, etc., and is ordinarily very bright and studious.

From the foregoing, it would seem that you and the School Physician should perhaps take a special look into his case.

Very respectfully,

(Copies to Mr. Bradley,
Mrs. Denny, Dr. Rendtorff)

William might have been a better boy had he not been influenced by another boy who did not want to do right.

Mr. J. M. Johnson,
Superintendent, The Colville Agency,
Nespelem, Wash.

Dear Mr. Johnson:

I submit herewith a request from William Edwards for an amount of \$8.50 to pay for necessary dental work. That is the exact amount the work is estimated to cost and I recommend that not less than that amount be sent here without delay so that the work can be completed.

Regarding William's request for the additional \$25.00, I can but state that he will be helped to get the best possible benefit from the expenditure of that amount if it is believed by you that he should be allowed to expend any of his funds for the purpose enumerated.

Very truly yours,

HKM.

Mr. J. M. Johnson,
Superintendent, The Colville Agency,
Nespelem, Wash.

My dear Mr. Johnson:

I am having enclosed herewith a letter that was brought to this office at noon today by William Edwards. From the amount of \$35.00 that was received here recently he has expended \$21.00 to pay for a dentist's bill and I allowed him to use \$7.00 more to take a trip to New York City with some ninety more of our boys who went there with a special excursion. That leaves him but a small amount for incidental expenses and I shall not object to your sending him the amount of \$50.00 he requests if it seems advisable at this time to let him have the use of such an amount. He must understand that if an amount of \$50.00 is allowed him it will have to be sufficient for this school year.

Very respectfully,

Encl.

Dear Mr. Lippis:

I wish to use some more of my summer's wages for some clothes which will need this winter.

I have been told that I can only get a certain portion of it; But the things which I wish to get will exceed that.

I wish to know if I can get enough of the money to buy these things.

Enclosed is a list of things which I will have to have, and their prices; as near as I can

get it.

1 Overcoat	\$ 16.00
1 sweater + jersey	5.00
1 shoes	4.00
2 shirts + stockings	2.50
1 pants	3.00
1 pr. gum boots	3.00
school supplies	<u>2.50</u>
	\$ 35.00

This would amount to about
\$ 35.00.

If you would let me draw
all of my money, I will also
get a trunk.

I am sending this together
with Mr. Megintosh's letter;
so one letter directed to him will
be sufficient.

I have your letter and am glad to know where you are and still more glad to know that you have realized that you made a great mistake in leaving your outing home in the way you did. I am glad too, to know that you are man enough to want to return to the school and be given another chance to "make good". If you are in real earnest about returning to Carlisle to try it again, I shall be glad to help you get back. The only way you can get back is to pay for your own ticket. You have enough money in Mr. Heginbotham's hands to do this. I will have a ticket to Carlisle, placed for you at Bensenville. You can get this ticket without paying any money and when you return to Carlisle, I will have you sign a check from your wages to pay for it.

Dear Mr. Lipps;-

Willie Edwards' mother had a letter from him some days ago saying that he had been working for some farmer in Pennsylvania and that he intended returning to school a few days later. Last Saturday she brought me another letter from him saying that he had started home and had come as far as a town in Illinois named Bensenville I think, and there had run out of money and wanted his folks to send him some money to come home.

Since receiving this letter his people have been quite uneasy about him and have asked me if they should send him money to come on home. I told them that they should write to him and tell him to either return to Carlisle or get permission from you to come home but they think that inasmuch as he has started home that it would be better for him to come on home.

Paul has asked me to write to you and get your permission and then they will send him money to come on. There is plenty of work that he can get to do here but perhaps you know better than I if it would be more advisable for him to return to school.

Colville Agency, Sept. 19th, 1916.

September 12, 1916.

Mr. J. M. Johnson,
Superintendent, Colville Agency,
Nespelem, Wash.

Mr. Oscar S. Lipps,

Dear Mr. Johnson:

Noting in your letter of the 12th instant that William Edwards desires to have the use of \$25.00 of his money and that you are willing to let him have that amount, I respectfully state that he has been at an outing home since June and that I too believe he should have his request granted. May I recommend, therefore, that a check in the sum of \$25.00 be sent here for William's use?

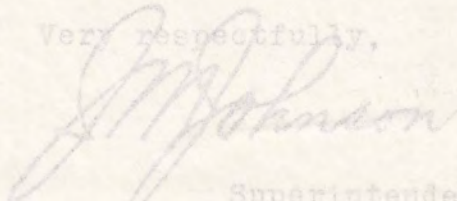

Very respectfully,

HKM.

Superintendent.

His present balance is \$164.00 and, in as much as he appears to have been working this summer, I should think he ought to have \$25.00, but before I take action upon his request, I should be pleased to receive your recommendation. If he needs the money before school starts, I will send him \$25.00, but it seems to me that he will have a greater need for it later in the season.

Very respectfully,

Superintendent.

Mr. Oscar H. Lipps,

Carlyle, Pa.

My dear Mr. Lipps:

I have a letter dated September 4th from William Edwards, R. F. D. No. 1, Care of Mr. Joseph Heginbotham, Bucks County, Taylorsville, Pennsylvania, saying that he is working in the country learning how to farm. He asks for \$25.00 and says he needs a suit and some other things as he will be going to school soon.

His present balance is \$164.00 and, in as much as he appears to have been working this summer, I should think he ought to have \$25.00, but before I take action upon his request, I should be pleased to receive your recommendation. If he needs the money before school starts, I will send him \$25.00, but it seems to me that he will have a greater need for it later in the season.

Very respectfully,

Superintendent.

Supt. Colville Agency,

Dear Mr. Johnson:

Will you please let me know if William Edwards, a pupil of this school, has any funds in your hands. He has recently gotten a \$20.00 suit from one of the other boys of this school, promising to pay from his money in your hands.

While I do not usually encourage boys making such deals among themselves, the boy from whom he has purchased this suit has always been a good boy and I dislike to see him lose the suit.

Very truly yours,

D:R

In connection with memorandum from undersigned several days ago relative to William Edwards' request to be sent to the outing now. I believe William ought to wait until the late-in-May party goes out.

Miss Reichel:-

If William Edwards were to go to the
outing now, his promotion would be in
jeopardy (whatever that may mean), would
it not?

If he were to remain right through
to May 25, provided he keep up his
present record, he would be assured
of promotion, would he not?

Dr. Bendtorff says William is in
good health.

Respectfully

J. S. DeHuff

Mrs Denny:—

The Doctor forgot to make a statement of William Edwards and I don't believe he would be able to work. Dr. Shepler opened an abscess yesterday which will need to be treated for some time unless his patrons were willing to take him as he is and take care of him.

Dear Mr. Francis:

I am in receipt of a letter from William M. Edwards of this reservation, a pupil in your school, in which he signifies his intention of remaining at the school this summer instead of coming home and at his request I am enclosing herewith a check for \$25.00 to be deposited to his credit and used as his needs require this summer.

William requests in his letter that he be furnished with a statement of his account at this agency and the balance he has to his credit. Kindly advise him that since 1914, when he began to draw against his account he has used \$487.25. This includes money paid for purchases on his account and funds sent to him at the school. Mrs. N. R. Whenny:

I have been back about a month now. I got here just in time for harvest.

It was well that I did get back as my folks were unable to do the work. My mother was sick (she is not quite well yet.) and my step-father had his leg broken about two weeks before.

With the help of my brothers, we got everything in in good time.

I am now going to high school here; started several days ago and I'm getting along very nicely. I am in the junior class.

The sore-shoulder is not well yet; but I expect it to be well in a couple weeks.

It is very dry and warm here.

I had some money coming to
me for my work in the country, that
I wish you would send me right away
as I need it very much now.

I also have some clothes there
that I also wish to be sent here.

Sorry I left the way I did,
but I had thought I just had to
do it, so I don't it.

Good by,

From
