SPECIAL NOTE.

This form must be executed in duplicate when a child is transferred from a reservation to a nonreservation school. The Superintendent of the nonreservation school will retain the original for his files, and the duplicate shall be deposited in the Agency records. The agent will then send to the Commissioner of Indian Affairs his certificate as provided by law. All the blanks must be properly filled in every case.

If the information called for on any part of the blank is not known, that fact should be stated. No space should be left unfilled. Whether the parents are living or dead, their names must be given.

The person who signs the blank as consenting to the transfer should indicate his relation to the applicant by marking out the word "parent," "guardian," or "next of kin," leaving unmarked only the title appropriate to the signer.

INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case; but in all cases where the parents are living they should first be consulted.

My dear Leon:

Superintendent.

Your letter of June 13th has just been received.

I am glad to know that you arrived home safely and that
Copy to Superintendent Stinson.
you found every one well and getting along nicely.

I am sending you herewith official notice of your
appointment as disciplinarian at the Rainy Mountain Boarding
School, Oklahoma, at a salary of \$540 per annum. When I
spoke to you about this matter, I had in mind the school at
Lawton, Oklahoma, but that position has evidently been
filled. I have never been at the Rainy Mountain School,
but I understand it is well located. It is a small school
but large enough for you to begin with. I hope you will lose
no time in reporting there for duty. Go direct to the agency
at Anadarko, and there you will get instructions as to how to
get to the Rainy Mountain School.

I am very anxious that you make a success of this
position and want you to write me after you are settled, and
if there is anything I can do for you, be sure and let me
know. We will be glad to do any little printing that you
may need, and help you out in other ways. I feel sure that

Dear Mr. Lippo.

Arrived home safely and found everyone well and getting along nicely. The weather here is very much unsettled and a lot of rain.

Indians are arriving from different parts of the reservation preparing for the 14th celebration. It will not be very much of a success if the weather doesn't change for the better shortly.

Wishing you success and happiness I remain

Dear friend Leon:

Your letter of the twenty-fifth instant has been received here, and in reply thereto I must state that Mr. Lipps is now in Washington engaged in special work at the Indian Office.

Referring to your letter, you are advised that at this time there are no vacancies at the Ford Motor Company's factory in Detroit to which any of our boys could be sent. Mr. Lipps stated on Monday of this week that he had not heard definitely how soon additional boys could be accommodated. There are a number now on the waiting list here, and no assurance can be given you that a place could be found for you soon.

With best wishes, I remain,

Dear Mr. Lipps.

I have neglected writing to you about me going to work at the Ford factory at Detroit, Mich. the first of last month as I asked you when I left Carlisle last summer. I did not write because I had to stay here as I was a defendant in a law-suit case for land taxes we since I was eighteen year old, as I was on the rolls as a girl. I hired a lawyer and fought the case and won out. The trial was done a few days ago. I am writing to find out if it is too late for me to go now or when? Trusting an early reply. I remain

Dear Leon:

Your letter of Oct. 10th relative to enter-
ing the Ford Automobile factory has been received. In
reply I have to advise that we do not know when the next
class of boys will go from Carlisle to enter the students'
course in the Ford factory, but probably not before next
summer. A great deal depends on how the Carlisle boys
who are now there continue to get along. Some of them
have not been doing so well recently and I don't know
just how Mr. Ford feels about giving other Indian boys a
chance until he finds out if those who are now there are
going to make good.

I do not know what arrangement Mr. Daganette
has in other automobile factories for Indian boys, but I
could not give you any assurance at this time that you
could be given an opportunity to go with the next class
we send, in the event we send another class, but if you

If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.

Mr. O. H. Lippo,
Carlisle, Pa.

My dear Mr. Lippo:

Received your letter
and the appointment,
and glad to hear from
you. I have decided
to go to the Ford factory
in September. You'll
remember of my speaking
to you about it. My
father thought the Ford
plan would be the

better, as he used to
be a disciplinarian once.

I greatly thank you and
Old Carlisle for what you
have done for me, and
"Make Good" will always
be ringing in my ears,
and also General Pratt's
"Stick" I remain.

Respectfully yours
Leow Boutwell.

As you are one of those of our former students whose return to Carlisle is desired I would thank you to let me know whether you have made any plans for your work for the year. The opening day of school at Carlisle is to be on September the 7th and if there is anything that can be done to assist you in effecting your return here or to enroll at some other school do not hesitate to let me have a request for aid.

Trusting the summer vacation has been pleasant and profitable for you, I am,
