Carl My dear Sir: School,

Carlisle, Pa.,

I have received your letter of the 11th instant
Dear Sir:-
and must state in reply thereto that an amount of \$30.00
would not be sufficient to pay for James Cox's return
transportation. However, I shall not object to his going
home if a sufficient amount is placed on deposit to pay
for the transportation that would have to be provided.
In this connection I must call attention to the

fact that if James Cox is allowed to go home his younger
brother John should be sent with him. John is not doing
any good and is very much of a nuisance in the Quarters
because of his careless habits.

WLH.

I hope I shall hear from you soon what can be done
about effecting John's return home.

Very truly yours,

Mr. Meyer:

I have decided to ask that James Cox be sent home when his brother is ready to go. James has been under my surveillance for some time. He is not actively tubercular but is bound to become so.

This would be very apt to follow an attack of the grippe which is at present making its rounds. James will be able to be of great service to Charles on the homeward trip.

Respectfully,

Remarks and recommendations of superintendent with reference to eligibility and need of Federal aid:

Superintendent.

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.
