Carlisle, Pa., November 11, 1915.

Mr. Lipps:

I am attaching hereto a memorandum received this morning from Miss Robertson, the teacher of Room 10, concerning the misconduct of Frank Leith. Frank entered this school November 19, 1914, and was placed in Room 9, Academic Division. I have inquired of Miss Snoddy concerning his record in the Academic Division last year, and she says that he was always an uncertain quantity, that he did not attend to business, and that the effect of any admonition she might make to him or she might give him, always wore off within a short time. Mr. Heagy who had Frank in Room 10 for a time this year, also stated that Frank was shiftless and had to be watched in order that he might be kept from taking undue advantage of privileges extended. Frank has had considerable difficulty in Quarters also, the details of which you are in all probability already acquainted with or, concerning which, Mr. Gehringer could make a lengthy statement. It has transpired recently, also, that Frank was responsible for Jerome Slattery's down-fall a couple of months ago.

This afternoon, I was upon the point of sending Frank home, when I was informed that you contemplated reaching home today or tomorrow night. I have suspended Frank from the Academic Division and have instructed Mr. Gehringer to assign him to fatigue duty during the time that he would, ordinarily, be taking Academic work. I very much fear that Frank has done as much good as he will ever do in Carlisle. He has a bank balance of something over \$30.00 and I am inclined to think that the best investment he could make of that money would be a ticket to his home.

JDD-RFH.

Very respectfully,

P. S. - Personally, Frank is not a bad sort and if there is any way in the world to make him attend to business, I should like to see him have his chance. I like him, inspite of all his shiftlessness, but it seems as if he is not disposed to take anything seriously.

Mr. De Huff:

Ever since I have been in charge of Room 10 Frank Leith has neglected his work. He has frequently come to school without his books and then wasted time in getting them. He has asked so often to be excused from the room that I felt he just wanted to shirk his studies. Once when I gave him a written permit he remained out for a long time and then returned without the disciplinarian's signature. On the afternoon of Nov. 1, he asked permission to leave the room and I granted it. He did not return that session; when questioned, said he was sick. The same evening he was able to attend the masquerade party and did not appear at all ill. In view of the above circumstances I have felt justified in refusing him permission to leave the room.

Today, when refused, he remarked in an insolent manner, "I want to see Mr. DeHuff." I replied "very well". A few minutes later he came striding to my desk and thrust your note to me. I read it and said "You may finish writing your sentences." He muttered something about not making a fool of himself and left the room slamming the door after him.

Frank has interfered with the discipline in other ways. He took a wrong meaning out of a mistake made by one of the girls in the class and tried to attract the attention of his classmates to the error. He has very seldom recited when called upon, but has been quick to talk in an undertone when someone else was reciting. He tried to cheat during an examination, and a number of times during recitation. When I have talked to him he has always said he

would do better but there has been no improvement. He has a bad influence, particularly over boys like Dennis Thomas and Joseph Shooter.

Very respectfully,

Sadie J. Robertson.

Dear Sir.

I expect to leave here Sunday night on the Flyer so I can get to school as soon as possible. I felt very good when they told me my ticket was at the Depot. Will you please send Ben Guyon or Leon & Boutwell down and meet me at the depot. In haste.

Yours Truly,
Frank Lueb.

Mr. John R. Howard,
Superintendent, The White Earth Agency,
White Earth, Minn.

My dear Sir:

Frank Leith, who is enrolled here from the White Earth reservation, has given us considerable trouble this school year and is now absent from his classes in the academic building on account of further trouble with his teacher. He is not doing any good here and claims that he would have a chance to enter the High School at Mahanomen. In view of the fact that he will evidently not profit here by what is being done for him I am having it arranged so that he can leave here on Friday evening of this week for his home at Mahanomen. A ticket for his use to that point will be procured for him ~~next~~, but he lacks a very small amount of having enough to his credit in our school bank to pay for the same.

Will you please let me know whether Frank has any money to his credit that might be used to cover the unpaid-balance that will be due on the cost of his ticket?

Very respectfully,

HKM.

Mr. John R. Howard,
Superintendent, White Earth Agency,

My dear Sir:

A bill for an amount of \$30.62 has been received to cover the cost of the ticket that was provided for Frank Leith's return home. As but \$30.00 was left here by Frank to apply to the cost of the ticket I would thank you to assist as may be required to secure the balance of 62 cents needed to pay the charge.

I also submit herewith a statement of an amount that is due the Alumni Association at this school.

Very respectfully,

Sir:

In reply to your letter of Nov. 27, 1915, I have to state that Frank Leith has no money on deposit at this agency at the present time. I sent his annuity payment, \$18.50, to the Carlisle Indian School on Nov. 3, 1915. We have written to Frank and called his attention to his indebtedness to the Alumni Association, and to the fact that he still owes 62 cents on his transportation.

Very respectfully,

John R. Howard

My dear Sir:

Referring to your favor of the 30th of November,
I beg leave to inquire whether we may expect to receive
the amount of 62 cents that is due from Frank Leith to
cover the balance of the amount due on the ticket that
had to be provided for his use when his release from this
school was effected.

The indebtedness should be settled and whatever you
can do to assist in collecting the amount due will be ap-
preciated.

My dear Friend:

It has been brought to my attention that a balance of 62 cents is due from you to cover the cost of the ticket that was provided you for your use when you went to your home. Although the amount is so very small, the account cannot be closed until it is received and it will be appreciated if you can give this request for a remittance your prompt consideration.

Dear Sir:

In answer to your letter of January 19th, 1916, relative to sixty-two cents due from Frank Leith on a ticket provided for his use, I have to advise you that this matter was called to Frank Leith's attention sometime ago, and he has not shown the willingness to pay the account.

I have no way of collecting this amount from him unless he is willing to pay it, since he has no individual Indian money under the jurisdiction of this agency; however, I would be in a position to collect the amount from him at the next annuity payment, which will be made in the fall of 1916.

Please advise me whether you care to wait that long for the collection of the money.

Very respectfully,

Superintendent.

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.
