Mr. G. H. Ansley,
Special Agent in Charge, N. Y. Agency,
Salamanca, N. Y.
United States Indian School,

Dear Sir:

Carlisle, Pa.

Referring to your favor of February the 23rd, this is to advise that Hobart Jameson came to this office yesterday and stated that he is also known as McKinley Hobart Jameson. He declared further that he was born on February the 16th of 1897 and that he was 18 years of age on that date last month.

Regarding the amount of money he has to his credit, I will state that it may be sent to him here in my care. It will then be placed on deposit in our school bank to his credit and he will be allowed to draw amounts from time to time as he may need them. Such amounts as are allowed him will have to be expended under supervision.

Very respectfully,

Special Agent.

Dear Sir:

McKinley H. Jameson has made application to this Agency for annuity withheld, stating that he has now reached his eighteenth year. We find, upon consulting our roll, that he was born in 1897, but we do not keep the month or date of birth. He has to his credit at this office about \$55.00, and I am writing you to ascertain whether in your judgment it would be proper for this Agency to pay this money over to him unrestricted, and if you will advise me the date of his birth.

Thanking you in advance for your attention in the matter, I am

Very truly yours,

Dear Sir,

Mr. Hobart M. Jimson,
Tunnesassa, New York.

My dear Friend:

This is to acknowledge receipt of your letter of December the 7th and to advise you that we can arrange to enroll you if you return to Carlisle. Practically every room here is filled, however, and you should not delay about coming if you want to make sure of being acomodated.

Because so very few additional students can be admitted I would not be justified in providing transportation for your use. It is hoped you can come on at your own expense for transportation.

I enclose herewith a blank upon which an application for your enrolment should be submitted to me by your father. After the same has been carefully filled out and properly signed you may bring it with you when you come to school.

Very truly yours,

Remarks and recommendations of superintendent with reference to eligibility and need of Federal aid:

Superintendent.

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.
