My dear Sir:

I take pleasure in stating that your son Milton

with the other boys whose Outing period for the summer
had terminated.

Milton is now here at school and will resume his
studies on the opening day of school tomorrow.

Very truly yours,

My dear Sir:

Your son Milton is one of the boys who will be entitled to return home at the close of this school year and arrangements are being completed to have him start with the other boys on June the 3rd. Transportation for his passage to Rushville will be provided for his use and he should arrive there early in the morning on June the 6th.

I would thank you to notify me when Milton has arrived at your home.

Mr. John R. Brennan,
Superintendent, Pine Ridge Agency,
Pine Ridge, S. D.

My dear Sir:

I have received a letter from Mr. Charlie Brave which was addressed to me from Hardingrove, South Dakota, and in which it was requested that Milton Brave be sent to the Cheyenne River Reservation when his period of enrolment here has terminated at the close of this school year.

As Milton was enrolled here from Pine Ridge I would thank you to advise me what course of action is to be pursued.

Very respectfully,

HKM.

Mr. Charlie Brave,

Hardinggrove, So. Dak.

My dear Sir:

I have received your letter of the 27th ultimo and must state in reply thereto that your son Milton left here last evening and that transportation for his passage to Rushville, Nebraska, was provided for his use.

In April Superintendent Brennan of the Pine Ridge Agency was consulted relative to your request that Milton be sent to the Cheyenne River reservation, but not hearing from the Superintendent and learning from your son that you should be addressed at Pine Ridge it was believed advisable to send Milton to the point from which he was enrolled here. If you now desire to have your son with you arrangements can be made direct with him at Pine Ridge.

Very truly yours,

HKM.

Superintendent.

Mr. Charlie Brave,

My dear Sir:

It has been noted in your letter of March the 24th that you desire to have your son sent to the Cheyenne River Reservation at the close of this school year instead of the Pine Ridge Reservation from which he was enrolled here.

Such arrangements can be completed and I am writing to Superintendent Brennan for his approval. You will be notified later when Milton may be expected, which should be about the first of June.

I will also state that your son has had the best year of his enrolment at Carlisle this year. He has been in earnest and reliable and it is gratifying indeed that he has done so much better than heretofore.

Very truly yours,

HKM.

Nov. 26, 1915.

Mr. J. F. House,
Superintendent, The Indian School,
Rapid City, So. Dak.

My dear Sir:

Carlisle, Penn.

Dear Sir: If Martin Brave, who is named in your favor of the 26th instant, is the same Sioux boy who was enrolled at Carlisle by the name of Milton Brave there is no objection to his enrolment at the Rapid City School on account of his conduct. This school has more than its capacity

I have learned that when Milton came to Carlisle he was one of those untamed little fellows who had to be won over by the most careful effort. He deserted, was obstinate and generally hard to manage. However, a steady improvement in his conduct was shown and during the past year here he did very well. He was taught by our Band Master to blow a bugle and that seemed to be a great help in conquering himself.

Yours very truly,
J. F. House,
Superintendent.

If you cannot take Milton into the Rapid City School his return here is desired.

Very respectfully,

HKM.

Acting Superintendent.

Nov. 26, 1915.

Mr. O. H. Lipps,

Supt., U. S. Indian School,

Carlisle, Penn.

Dear Sir:

Martin Brave of the Cheyenne River Agency is asking to be enrolled at this school. He states that he finished his term of enrollment at Carlisle and that he is eligible for enrollment here. This school has more than its capacity and I hesitate to admit him, and especially as I am not certain to his record while at your school.

Will you please advise me as to the status of this young man; also any information as to his record will be appreciated.

Yours very truly,

J. F. House
Superintendent.

Remarks and recommendations of superintendent with reference to eligibility and need of Federal aid:

Superintendent.

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.
