INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

That no Indian pupil under the age of fourteen years shall be transported at Government expense to any Indian school beyond the limits of the State or Territory in which the parents of such child reside or of the adjoining State or Territory. (35 Stat. L., 781.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case; but in all cases where the parents are living they should first be consulted.

Dear Sir:

You will find enclosed
money-order for fifty cents, the amount
of my sister's music bill.

My sister left her watch in care
of Mrs. Ewing. I have written asking
her to send it home, but have never
heard from her. Would you see her about
it?

My father is much better. It seemed as though
our arrival at home helped to ward his
recovery.

Best wishes to the Indian School,

I am very truly yours,

Sometime ago I registered a letter to John Buffalo. We returned home before receiving it; demanded a return receipt and received it signed by Mr. Miller.

Would you please call Mr. Miller and have him return the letter.

This certainly has been a rainy season in Oklahoma, but very few of the farmers complain as the past two years has been very dry.

Finishing the new work added to the Indian school studies prove

a success, and thanking you in
advance for the favor at the. I am

Our Mr. Miller's records show that on the 20th of September he forwarded to Superintendent Deaver at the Seneca Agency at Wyandotte, Oklahoma, the registered letter you addressed to John Buffalo at this school and about which you make inquiry in your favor of the 28th ultimo.

The letter has probably been delivered by this time and it will be appreciated if you will notify me to that effect.

There is due from your sister Elnora an amount of 50 cents for music lessons that were given her while she was here at school. Will you please see to it what can be done about sending that amount to me in order that the account can be properly adjusted?
