An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case.

This form is to be used only in transfers from reservations, or Indian schools, to nonreservation schools.

Any general statement or wishes of patron or pupils, together with Agent's estimate of place, people, and pupil:

Eli does not get much pay for his work and does not seem contented. His work is not hard and Mr. Snook expected a smaller boy. I feel that Eli would have done better had he been placed on a farm to do outside work.

I did not know this condition until this late date and a transfer could not be made so late in the season. I would not recommend any boy to be placed in the house unless some very small boy as they do not get enough wage and do not like indoor work.

Eli wishes to return to school and take up his trade.
