Dear Mr. Richard Herring,
Hogansburg, New York.

My dear Sir:

I have noted in your letter of March the 9th that you are anxious to have your son Jacob ^{Herne} return home for the summer months to be of assistance to you in the work on your farm, but that you are unable to provide the amount that will be required to pay for his transportation.

In reply to your letter I must state that I want to co-operate with you, but because Jacob is now doing so well at an Outing home where he will have an opportunity to gain additional valuable experience during the summer I could not well urge him to return here in order that his return home could be effected.

Jacob's wishes in the matter must be taken into consideration too so I shall await information from him before your request is given further consideration.

Very respectfully,

HKM.

Dear Sir,

I am writing you in regard to my
son Jake Herring a student at your school
in Carlisle.

My son has written to me recently, and
in his letter, he stated that he ^{had} had a talk
with you about coming home this summer &
spend his vacation at home with me & his mother.
I learn also from his letter ~~also~~ that you
are disposed to let him come home, provided
I furnish or advance money for his transportation
both ways.

Now, Mr. Lips to be frank and candid with
you in this matter, I will say that as matters
stand, I will greatly appreciate the assistance my
son can render me during ^{vacation} period on my little
farm if he comes home.

I am now 69 yrs of age and not in very robust
health, Hence you can see what dependence I have in

my Son.

Mindful of my Son's future I don't wish to remove him from his Studies or for him to leave school before the expiration of his enrollment period, but only desire to have him with me during a vacation period, and I pledge you my honor to return him to school in the fall.

I am not able to advance the money for his transportation but can you not allow my Son to draw some of his money, if he has any in the bank to pay his fare home?

If you can arrange this matter some way you will oblige me greatly.

Hoping to hear from you soon in the matter.

Remain Yours Respectfully,
Richard Ferring.

April 6th, 1915.

Mr. Richard Herne,

Hogansburg, New York.

My dear Sir:

Referring further to our correspondence relative to the return home for the summer months of your son Jacob, this is to state that arrangements are being completed to have him leave here tomorrow forenoon. Transportation for his passage to Nyando will be procured for his use.

It is Jacob's desire to return to Carlisle to resume his studies at the opening of the new school year in September and I trust you will urge him not to give up the idea of spending at least one more year in school here.

Hoping you will be well pleased with what has been done for Jacob while at this school, I am,

Very truly yours,

Dear Sir,

Mr. Jacob Herne,

My dear Friend:

I have received your letter of April the 9th

and am pleased to learn that you had so pleasant a trip.

It is to be regretted, however, that your parents are not well and that they are unable to do very much for themselves just at this time.

Regarding your request to have your money sent to you I must state that you have been given the special privilege to use more of your money than is generally allowed students who go to their homes on leave, so what is yet to your credit here must be held until you return to school.

Very truly yours,

HKM.

Supervisor in Charge.

And father has lots of money for me to do in gardening and planting on his place, and my intention is to be a night for my school at Carlisle, as it won't be very long before I shall return this fall; with my best wishes to the dear old Carlisle

Dear Sir;

I arrived home all O.K. and was very glad to see my dear Parents again, I am only sorry to find my father almost crippled not able to do much work, also I found my mother very poorly;

Now I will ask you kindly if you could send my money that I have in our ^{School} Bank so that I could help my dear ~~Parents~~ Parents at home, as they ^{are} in need of help. By so doing you will greatly oblige me also you would be helping my dear Parents by granting my request; I am feeling very well, and I intend to take good care of myself while I remain home and father has lots of work for me to do in gardening and planting on his place, and my intention is to be a credit for my school at Carlisle; as it won't be very long before I shall return this fall; with my ^{wishes} Best to the dear old Carlisle

My dear Friend:

I would be pleased to hear from you whether we may expect you to return to Carlisle before the opening day of school on September the 7th to complete the period of enrolment for which you were originally admitted in 1912.

It will not be necessary to submit an application for your enrolment because your first term of enrolment has not terminated.

From the amount of money to your credit in our school bank transportation for your use can be provided, and upon receipt of advice from you a ticket will be made available for your use.

Trusting you have had a pleasant and profitable summer, I am,

My dear Friend:

I have received your letter of the first instant advising me that you cannot arrange to return to school at this time because of your duties at home. It is to be regretted that such is the case and I do hope that a little later in the term you can come to continue with your school work here.

For the present, it is believed inadvisable to send your money to you as you request and as it is accumulating interest in the bank here it is my suggestion that you do without it until it is determined definitely what you can do about returning here.
