Dear Sir:

I have a letter from Mrs. Maggie Ransom, mother of Peter R. White, one of our pupils here, requesting that her son be sent to her at once. She says she is sick and needs his help.

Peter's term of enrollment has not expired and he is not entitled to go home at Government expense at this time. He is in one of our outing homes where he has agreed to remain until fall and unless there is urgent need for his services at home I do not think it advisable to change the plans regarding him.

Will you please find out the exact condition at his home and advise me. Thanking you for your help and co-operation, I am,

Very truly yours,

INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Information regarding pupils to test eligibility and whether in need of
Federal aid.

Mrs. Maggie Ransom,
Hogansburg, N.Y.

Dear Madam:

I have your letter relative to your son Peter Ransom who has written to you saying that he does not like his country home because he is abused.

I had a letter from Peter some time ago making a complaint about his home and I had Mr. Dickey visit the home and he recommended that Peter stay where he is for the summer. Perhaps you do not know that Peter did something very wrong this spring in his other home and it was on this account that I had to transfer him to the home where he is now. Peter is at the age now where he requires strict discipline as he is inclined to want his own way and I think that the reason he objects to this home is because this man is strict and does not allow him to do the things he wants to do.

If you will let us take care of your boy we will try to do our best for him.

Very truly yours,

D:R
