Mrs. Marcelina Alonzo,

My dear Madam:

When your son Jose was seen at this office this afternoon he stated that he did not go home to you this year because he desires to remain at Carlisle for an additional year. Though you must be anxious to see him I believe you will not make a mistake by letting him remain here until the end of this school year, and I would be pleased to hear from you without delay that you give your consent to such an arrangement.

Jose has had a successful five year period at Carlisle and he is now in a position to make progress more rapidly than he has made to date.

The envelope I enclose may be used to write to me without affixing a stamp.

SUGGESTIONS FOR SUPPLYING THE INFORMATION REQUESTED ON THIS BLANK

1. The report of nonreservation school Superintendent should be made at the time or a little before the pupil leaves school, whether at the end of the school year or during the school year, provided the pupil is 18 years of age or over, or younger, if for any special reason the pupil is quitting school permanently. As soon as this report is received, or at least very soon after the pupil returns home, the Supervisor of Indian Employment will correspond with the returned student for the purpose of getting more in personal touch with him and finding out something about his wishes, etc. His answer will be attached to and filed as part of this report.

2. Health, height, and weight of returned students are sometimes very important in placing them properly; height and weight could be approximated very satisfactorily, though from the pupil records now in use all information called for in part 1 of this blank can readily be obtained and be definite.

3. The State, agency, and tribe are important, and where the pupil is not attached to any agency this fact should be stated and the Superintendent should give all available information as to the home and local conditions surrounding the pupil.

4. Where the outgoing pupil has passed the civil-service examination for any position, this fact should always be noted, giving position for which examination was taken.

5. It should be remembered that the Supervisor of Indian Employment can but seldom have a personal acquaintance with the outgoing student, and that he must depend on the information furnished in this report for his basis of action in behalf of the pupil.

6. The degree of Indian blood should always be given, as this fact largely determines how much effort will be made on behalf of any particular returned student; qualifications being equal, or nearly so, the preference will be given to those having the greatest degree of Indian blood.

7. This report should be forwarded promptly to the Supervisor of Indian Employment, Indian Office, Washington, D. C.

8. Reports on students from reservation schools should be made only as to those who leave the schools at 18 years of age, or older, and who will probably not go away to school.

9. If part 1 of this report is made out by the principal of a reservation school, the reservation Superintendent should supply information called for in part 2 if the principal is not informed as to home surroundings and local conditions. Such information is essential to a proper understanding of the difficulties and needs of the pupil.

10. When part 1 is made out by a nonreservation Superintendent, this blank will be sent by the Supervisor of Indian Employment to the Superintendent of the reservation where the outgoing student belongs. He should fill out part 2 and return the blank as promptly as possible, for practically nothing can be done until the information called for in part 2 is supplied.

Information under the heading "Employed since return as follows," will be valuable only in cases where the pupil has been home for some time.

Remarks and recommendations of superintendent with reference to eligibility and need of Federal aid:

Superintendent.

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.

Dear Sir:

In reply to the letter that you received from Joseph Alonzo, that money has been paid in 1915 when I was out in the country working for J. G. Webster, of Hulemville, Pa., and I got the letter which he wrote saying that you got the money.

I'll write him from here.

We are having cold weather out here now. All the boys are getting along well, and things are running smoothly. I was also glad that Mr. Dickey had good news for the boys.

Mr. Joseph Alonzo,

Albuquerque, N. Mex.

Through Sup't. Reuben Perry.

Dear Sir:

I am enclosing herewith a check for the amount of \$1.70, which is to balance your account on the books of this school. As this amount is somewhat small, the bank will probably want to charge you a small amount for its collection. I would advise you to sign and endorse the check and return it to me, and I shall be glad to mail either money or postage covering same.

I am enclosing herewith a franked envelope for reply, which requires no postage, and will thank you to give this matter your early attention.

Yours very truly,

CVP-RFH

Superintendent.
