### INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

My dear Madam:

Your son John brought me the letter you addressed to him on March the 20th, and in which you request his return home so that he can be of assistance to you during your husband's illness.

It is to be regretted that there is a necessity for John's return home at this time, and in order that our files may be complete I would thank you to get a statement from your family physician in regard to your husband's condition. It can then be decided how soon John should leave here.

This is also to advise that an amount sufficient to pay for John's transportation home and back again to Carlisle will have to be placed on deposit with me before his relase for vacation can be effected.

Very truly yours,

HKM.

Mrs. David Cook,

Box 78, Hogansburg, N. Y.

My dear Madam:

This reply to your letter of recent date has been so long delayed because it is a most difficult matter to determine which will be the desirable course of action to take in connection with your request that your son John be allowed to return home to be of help to you. I am just as anxious to favor you as I am to insist that John shall be given every chance to continue with the training he is now receiving. However, I would thank you to let me know at once whether the necessity for his return home is yet as great as it was when you wrote me last month and whether you yet insist that he shall be allowed to come without delay.

John is at one of our Outing homes and would have to be taken out of the public school he is attending there to take the trip home.

The envelope I enclose herewith may be used to write to me without affixing a stamp.

Very truly yours,

HKM.

Supervisor in Charge.

My dear Madam:

Your son John returned to Carlisle yesterday from his Outing home and arrangements are being made to have him leave here tomorrow morning. He should arrive at Nyando on Friday morning, the 12th.

It is to be regretted that so young a boy has to be taken out of school at this time, but it is hoped you will be in a position to have him resume his studies here not later than in September at the opening of the next school year.

Will you please let me hear from you when John has arrived at your home?
