SPECIAL NOTE.

This form must be executed in duplicate when a child is transferred from a reservation to a nonreservation school. The Superintendent of the nonreservation school will retain the original for his files, and the duplicate shall be deposited in the Agency records. The agent will then send to the Commissioner of Indian Affairs his certificate as provided by law. All the blanks must be properly filled in every case.

If the information called for on any part of the blank is not known, that fact should be stated. No space should be left unfilled. Whether the parents are living or dead, their names must be given.

The person who signs the blank as consenting to the transfer should indicate his relation to the applicant by marking out the word "parent," "guardian," or "next of kin," leaving unmarked only the title appropriate to the signer.

INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case; but in all cases where the parents are living they should first be consulted.

Care Mrs. Charles Moore
Drummond, Wisconsin.

Dear Marguerite:-

Yesterday when the matron was cleaning out some closets in the girls' quarters, she came across a bundle wrapped in a paper marked, "Articles found in Margaret Moore's trunk, not belonging to her". The package was sent to my office and I opened it and found a linen pillow case, ready to be embroidered, a towel for embroidery and a dark colored linen cushion cover partially embroidered. If you will tell me to whom these articles belong, I will be glad to get them back to the owners. I enclose an envelope for reply.

I hope you have kept well this winter and are getting along nicely other ways. We have had a great deal of sickness here this winter, mumps and grippe.

With kind regards to you, I am

Sincerely

Dear Mrs. Denny,

Your letter was received and was indeed very glad to hear from you. You spoke of some articles found the pillow case and towel belonged to myself and were taken by Miss Appidonor, but after she found they belonged to me said she would give them back, but she left so I never got them back. As for the other it belonged to Miss C. D. Young. She gave me

it, it was never returned.

Dear Sir:-

On July 26th Mrs. Fine. wrote
you regarding Margaret Moore and has
received your letter of the 28th we
have not seen or heard from Birmingham.
and one week has elapsed since Mrs.
Fines letter to you. The conduct

of Margaret is one I cannot
allow her to remain in my home
anymore. and I suggest that if
it is impossible for Miss Johnston to
come to Swanton. I will put
Margaret Moore on the train for Cadeshe
on Thursday the 7th of August in the
morning in charge of the Conductor.
I would much prefer to have
Miss Johnston call as I wish

Mr. Johnson to examine her baggage before
it leaves the house. Margaret's persistent
untruthfulness & disobedience & slovenly habits
make it necessary that she leave my house
at once. Unless I hear from you by
Wednesday, I will put Margaret on the train
on Thursday morning.

The report for July has been sent you
and I await your instructions regarding the
money due Margaret.

Yours very truly

Mr. M. Friedman,
Supt. Indian School.
Carlisle, Pa.

Dear Mr. Friedman:

Margaret Moore will return to Carlisle on Thursday, Aug. 7th leaving Phila. at 11:35 A. M.

She is returning with a "bad report." Her record stands as dirty, slovenly, disobedient, untruthful, and taking things which did not belong to her.

I inspected every part of her clothing and baggage to-day and found a small gold pin and an unfinished Centre piece which she had among her things and which belonged to Mrs. Fine.

Margaret has had an excellent home. Mr. Fine had made application for her to remain through the winter but she proved to be so ungrateful and so untrustworthy that they want her returned as quickly as possible.

She also has a library book from Carlisle and I have, no doubt, Miss Beach has been on the hunt for this book for some time as it is no cheap book. She has also some handsome pieces of linen which she says she brought from home. This doesn't seem reasonable. But they are not Mrs. Fine's. The nation might look into this when she inspects her trunk. She may have taken them from her former country home but this cannot be proven as Mrs. Patton has moved away.

Very respectfully, L. M. Johnston.

Remarks and recommendations of superintendent with reference to eligibility and need of Federal aid:

Superintendent.

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.

Dear Madam:

Your daughter Marguerite is one of the girls who will be entitled to return home at the close of this school year and it is being planned so that she can leave here with other girls in the home-going party on June the 1st.

Transportation for her passage to Lake Owen will be provided for her use at her request and it is hoped you can arrange to have her met at that point.

Please notify me when Marguerite has arrived at your home.

Dear Sir.

Your letter was received and was very glad to hear that Marguerite was better and hope she will continue to improve.

Now in case of a return attack of appendicitis you may operate on her before she is too weak and give her all the care you can. Don't delay in doing all you can for her.

My dear Madam:

It was reported to me this morning by our School Matron that your daughter Margaret is quite despondent because she has not had a letter from you for some time.

Margaret has made a conscientious effort to make the best possible use of her time this school year, and I believe that an encouraging letter occasionally from you would be of great help to her.

Trusting that you will realize in what spirit this communication is addressed to you and hoping that it will be convenient for you to let Margaret hear from you, I am,

Very truly yours,

My dear Madam:

Referring to the letter you addressed to Mr. Meyer at this school on August the 22nd, in regard to your daughter Marguerite being given an opportunity to take up work in Nursing at our School Hospital, this is to advise that the letter was referred to the Matron and that I have just had submitted to me a statement as follows:

"Regarding Mrs. Moore's request will say that Margaret is disobedient and not trustworthy, therefore, I could not recommend her for instruction at the Hospital."

In view of the fact that the girls at the Hospital have to be allowed privileges not given other girls it is very necessary that only the very best girls be selected for that work, and it seems that Marguerite's record has not been as satisfactory as it should have been to entitlee

My dear Sir:

Upon receipt of your letter of November the 29th I made special inquiry about your daughter Marguerite. I learned that she is getting along very well and that she has not complained at all this year about her health.

In view of the fact that writing paper and envelopes are issued to students whenever they apply for such materials I cannot understand why Marguarite does not write you more frequently. However, the life here is a busy one and the time passes very rapidly.

Our Matron requested Marguerite to write you a letter and it is being attached hereto.

Dear Sir,

I want you to tell me where Marguerite is or why she don't write home of tener, the last letter she wrote was so short that I just mistrusted that every thing wasn't right in that school.

I have been hearing a lot about that school lately and it isn't from Marguerite either so I think that if she isn't

like she ought
ght just as well
her home, I am afraid
+ she will get in with
some of those children that
are running away and she
won't be under any bodys

treatment she got when that

am just waiting for a little
more and I will have an
