Mr. Edgar A. Allen
Superintendent Chilocco School
Chilocco, Oklahoma.

My dear Mr. Allen:-

I have your letter of the 20th inst relative to Marie (Mary) Flais and have to say that she left here in April 1915 because of the serious illness of her sister, before she completed the course. We heard last year that she was at Wahpeton but assuming that she had gone there because the climate was more agreeable to her health condition, we made no protest. If she has completed the course at the Wahpeton School, she is eligible for enrollment at your school. If you are willing to keep her, I will offer no objection and will release her from this school.

In 1911 we had to send her sister home because of lung trouble. This sister died about a year ago. When Mary's return to the school, after a summer spent at her home, was in consideration, our physician here recommended as follows,--"This case had better remain on the reservation until the improvement is shown to be permanent." It was only after the Agency Physician recommended it, that we allowed her to return to Carlisle the fall of 1913. He had treated her for pulmonary tuberculosis of the lungs. My opinion is that Mary would better not come to Carlisle again.

We have had the same difficulty you have had in

Mr. Edgar A. Allen-2

having ineligible pupils sent to us. Arrangements are in progress now to return three Piegan girls and one Winnebago girl to Genoa, next week, tickets having been placed in Carlisle by Mr. Davis for the use of these girls. None of these girls had completed the course there and were therefore not eligible for enrolment here. About two weeks ago, I returned to the White Earth reservation, two boys who had enrolled here this fall and whom I found out afterwards, were deserters from the Pipestone School.

These errors are due to the failure on the part of the reservation Superintendents to comply with the Office regulation that no pupil should be transferred from one non-reservation school to another until he had completed the course in the one. So far we are out several hundred dollars because these Superintendents have sent us ineligible pupils. There should be some action on the part of the Office to see that we are protected. Have you any suggestions to make as to the proper method of getting this matter before the Office ?

Very truly yours

Superintendent.

Mr. O. H. Lipps,
Superintendent Indian School,
Carlisle, Pa.

Dear Mr. Lipps:

The carbon of your letter to Ross Carcarwee recalls to my mind a matter that I have been neglecting to write you of for a number of days. The Superintendent of the Standing Rock Agency some weeks ago asked me to wire him transportation for two or three girls. He said that they had been in the Wahpeton School and that the Superintendent there had consented to their transfer here. This I presumed was because he desired them to take the vocational course at Chilocco. Some time after their arrival I was talking with these girls and the fact was disclosed that one of them, Marie Fleets, had been a student at Carlisle and had not finished the course there.

I am in the dilemma of having her far away from home and in the School (being sent by Supt. ^{copy} Covey before there was any knowledge of her ineligibility). I think that she should return to Carlisle, if you want her, and I await advice from you as to what should be done. If she does not go there it appears to me that she should return home. Will you kindly let me hear from you in the matter.

Yours truly,

Edgar D. Allen

My dear Friend:

Superintendent.

Your very welcome letter of recent date was received here this morning and I am pleased to know that you are again in school this year. Your association with the students at the School of Science is giving you an opportunity to broaden your experiences and the fact that you can be of especial service on account of your musical ability must make it pleasant for you. I wish you success in your work and I hope we shall hear further good reports from you and regarding your work.

I thank you for letting me have information regarding Mae Wheelock and Ovilla Azure. It is regretted that Mary Gokee has been ill so long and that she is not yet able to take her usual school work. The sad news regarding your sister's death has also been noted and I trust the little girl who was left motherless is being well cared for by some of your people.

Kindly remember me to the friends from Carlisle you

and often wish I were still there.

I am making use of the piano lessons that I received from near Carlisle. I play for the Chapel exercises on Sunday evenings and also for the general assembly on Wednesday nights.

There are four of Carlisle's ex-students here in Walpole, Miss Mae Wheelock, class 1912 is the assist. matron at the Indian School, Mr. Orilla Ayre the carpenter and Mary Loken who was attending High school in town but ~~is~~ ill and in the hospital. Mary has been ill since December, and not able to attend school yet.

We all feel sorry and wish her a speedy recovery. My sister Sophie, who left Carlisle, 1911 died last June. She was married to Chas. White, August 8, 1913, and has a girl who is a year and a half old. I hope to visit Carlisle next summer and see the employees and schoolmates.

Dear friend:-

I now have the letter from the Agent at Mary Pleets' home for which I have been waiting. It came this morning. It also contains Mary's fare home. You can send her to Carlisle Friday morning, May 29th. and I will arrange for her to go home with the home party.

As Mary did not complete her outing term with you, you will not be expected to pay her fare either way. You can charge her fares to her account and send me check for the balance, if any.

I cannot promise you a girl now. I can let you know later.

Dear Sir:

I am enclosing herewith a statement of the Agency Physician relative to Mary Pleets. He examined her two days ago and found her condition satisfactory. The doctor pronounces her in good condition to take up her school work.

Mary has been very anxious to return to Carlisle and expects to start the first of the week. She will pay own transportation expenses, and the funds she has on deposit to cover return transportation can be turned over to her at your discretion for her incidental expenses at school.

My dear Sir:

This is to acknowledge receipt of your letter of September the 12th, with which was transmitted a certificate from your Agency Physician regarding the condition of Mary Pleets's health, and to advise that when the communications were referred to our visiting school physician he replied as follows:

"This case had better remain on the reservation until the improvement is shown to be permanent."

Just as soon as it can be determined definitely that Mary's improvement has given her the strength required to take up her school work I will gladly cooperate with you in arranging for her return to school.

Dear Sir:

I am enclosing herewith a certificate of our Agency Physician relative to the condition of Mary Pleets, for your consideration and decision.

As stated in the certificate Mary has been very sick, but now seems to be feeling quite well. The doctor is of the opinion that it will be alright for her to return to school, in fact he thinks that personally it will be better for her. Mary is very anxious to return but I feel that it is better to refer the matter to you and for her to abide by your decision.

On Mary's behalf I will appreciate an early reply.

Respectfully,

Tom Cabs

This is to certify that Mary Fleet was under my care at The Agency Hospital from August 12th to September 1st 1913, and during that time was seriously ill.

The diagnosis of both myself and Dr. Sharkey of Pollack S. D. - a consultant in the case, was Ordinary Tuberculosis of the left lung. Owing to the fact that there is not a microscope on the reservation, the diagnosis was not confirmed by laboratory methods - The girl has rapidly improved, and her lungs at present are apparently normal, although she has a slight cough and accumulation of mucus in her throat in the morning -
