Mr. Joseph Standing
Fort Totten, N. Dak.

Dear Brother:

I am now going to write a few lines to you and to let you know of my good times. As far as matters are concerned, I believe I am getting along nicely in all the branches of study that I am covering.

I surely did enjoy the events which occurred here on Christmas. There was a program given in the auditorium on Christmas eve and after that the students marched to the gymnasium, where the Christmas presents were given out to every student. We had a good and big dinner, and it was very delicious, it consist of roasted chicken. Many of the boys went out skating on the pond which is now frozen over. I am sure every one enjoyed it just as much as I did. Well I hope you had a good time also. And I hope this letter will find you happy.

There was a dance given in the Gym, last Saturday evening and I really enjoyed

myself.

The weather is fine at present, but a few days ago it rained and the walks were very slippery and one would often see somebody slip down; now and then. It seems more like spring weather than anything else.

Well what are you doing now along the line of occupation? Hope you are making it fine.

Well I must now come to an end as it is put near time for school out.

I'll now close by wishing a Happy New Year and all at that Place.

From your brother
Thomas Harding.

Provided, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

Receipt is acknowledged of your letter of the 2nd instant, with which you enclosed Thomas Standing's home letter for the month of December which was recently returned marked "unclaimed".

There is a rumor that Joseph Standing is under arrest. We will make an attempt to locate him and will have the letter delivered to him. He has been on this reservation for some little time, but, being a fugitive from justice, he probably failed to call for his mail at the postoffice.

Dear Sir:

After thinking it over, I came to a decision and that is to stay the rest of the term. I believe I'll have enough or could obtain enough money to attend Conway Hall if I am allowed to enter. And that is the next thing that I would like to know.

My contact with young men of education has given

me an inspiration to advance further in my education.

I believe that if I didn't come to school, I'd have had a different idea.

I would be glad to have \$5. out of my money for spending purposes. The only day that we go to town is generally on Saturdays.

Will now close.

Yours truly

Dear Thomas.

I have your letter and am glad that you have changed your mind about giving up your work at the Normal. I feel sure that what you gain this summer will be a great help to you this fall should you be allowed to enter Conway. If you can arrange to get a statement from the Principal giving you credit for the subjects covered during the summer, it would enable you to make a better showing this fall. The matter of your being allowed to attend Conway Hall can be taken up after you return to the school.

I enclose herewith a check for \$5.00 as per your request.

Immediately upon receipt of the letter you addressed to Mr. Meyer at this school on the 26th instant it was arranged so that your mail will be forwarded to you until you notify us that you will return to school in a day or two. I hope that the letters you receive will help to make the time pass more rapidly and the more pleasantly for you.

It is to be regretted that you have to undergo the operations necessary to effect a cure in your case, but if permanent relief is the result you will have cause to be glad that you had the unpleasant service performed at this time.

Kindly remember me to the other two boys in the Hospital with you, and assure them that they too have my best wishes for a quick recovery and an early chance to return to Carlisle.

I have received an operation but have another one to undergo yet. As a result of the operation, I may have to stay a week or two, the time is unknown to me. During my stay here, I would be greatly obliged if I can have my mail forwarded to me at the hospital.

To be in bed seems a strange thing to me and rather lonely and I guess if I get mail, that would make it worth while to stay under such conditions.

David Cabay is now out of bed but still has his eye bandaged and Alexander didn't have any operation but had his eye examined for glasses.

We'll have lot of company and that's the best part of it. Will close with best regards.

Of course I would be glad to have Thomas stay. - he is one of our most valuable speakers, - but on the other hand, I think his health is of more importance than the debate. Mr. J. De Huff.

Carlisle, Pa.

Dear Sir:

I am writing these lines to you to notify you of my intentions.

I have thought the matter over and it is satisfactory to me, but it needs to be approved.

My aim is to enter Conway if possible, next fall.

The amount of money I had there when I started was \$25. and some cents. It not being

sufficient to meet my expenses here of six weeks, The superintendent of my Reservation at Fort Totten was notified of the fact and that \$25. or more would sufficiently cover my expenses.

I am taking two subjects, Latin and Algebra, and have got them well started.

I must first of all tell about my financial conditions.

My Superintendent just wrote to me and told me that he had sent \$46.68 to Mr. Tupper. He states that there is \$23.33 left there yet to my credit and

my share of the lease payment due Oct. 1, is \$29.12. Upon adding these I found that I would have pretty near \$100.

I learned that it costs about \$35 for six weeks. Up to the present time I don't know just how much it would amount to. I have derived a great of benefit in my studies, and I feel that I can go right on by myself. My intention is to go back there. The reason for that is I would save that much more. I could purchase books and study in my

spare time there. My idea
 is to have a sufficient amount
 of money to pay for my tuition
 which I learned requires
 about \$75 without including
 the purchase of ^{text} books and other
 expenses. And besides I then
 would have a little for spending
 money. But if I spent
 part of it here, I don't believe
 I would have much left to
 pay for my tuition, and books
 at Conway Hall. So by
 quitting here I could save
 money.

You can inquire about

(5)

my financial condition to Mrs. Lenny as she knows about it.

I have talked to Miss Reichel and she advised me to write to you and explain everything, and I guess I have tried ^{to} explained it definitely.

I'll need about \$5.00 for car fare, settle my account in regard to books and other incidental purposes.

Miss Reichel wishes to be notified about the matter, according to your idea by

telegraph as soon as possible.

I hope you will see my idea
about the proposition.

Will now close.

Yours truly

Dear friend:-

I have your letter saying that it is your desire to attend Conway Hall next year and that you would like to quit the Summer school work now so that you may apply whatever amount it would have cost you for tuition and board there, to your school expenses next year.

I am still holding your bill for tuition and board amounting to \$35.00, pending the receipt of authority from Washington. Before making any decision relative to your request, I wish to know that it will be all right with the authorities at Millersville for you to withdraw from their classes at this time and whether you can do this by paying only for what you have received to date.

You can talk with Miss Reichel and Dr. Harbold and then write me again.

Very truly yours

Acting Superintendent.

Dear Sir:

I wish to report as to the condition of Mr. Thomas Standing sent to the Medico Chirurgical Hospital for examination and treatment. Mr. Standing is suffering from a double Ethroiditis and it will necessitate two operations and after treatment covering a period of possibly two weeks. We are very anxious to cure Mr. Standing but realize that he is a minor and wish therefore your permission for his operations.

Very truly yours,

Dr. Robert F. Ridpath,

Dear Sir:

In reply to your letter of August 18th, relative to the condition of Thomas Standing, one of our students, I will say that our resident physician, Dr. Rendtorff, has made a preliminary operation with a view to determining the seriousness of the young man's case. If his condition is not improved as a result of this preliminary operation, we shall in all probability return him to you for such further action as may seem advisable. Meantime, we have written to the Superintendent of the Fort Totten, North Dakota, school, requesting permission for performing these operations.

Very sincerely yours,

There is submitted below for your information in regard to Thomas Standing's home address a copy of a letter that was addressed to me from the Fort Totten School on the 11th instant:

"Receipt is acknowledged of your letter of the 2nd instant, with which you enclosed Thomas Standing's home letter for the month of December which was recently returned marked "unclaimed".

There is a rumor that Joseph Standing is under arrest. We will make an attempt to locate him and will have the letter delivered to him. He has been on this reservation for some little time, but, being a fugitive from justice, he probably failed to call for his mail at the postoffice."

Dear Sir:

Your brother Thomas has been in a Philadelphia Hospital twice this school year to undergo operations to remove a growth in his nose. The trouble may be aggravated to some extent by this climate, so at his request it is being arranged that he can leave here tomorrow evening for your home. A ticket for his use to Devil's Lake, North Dakota, will be provided and he has a sufficient amount to pay for his transportation from Devil's Lake to your home.

I would thank you to notify me when Thomas has arrived at your home.

My Friend:

I have your letter of the 22nd instant indicating a desire to enroll as a student at Haskell for the coming school year. I note that you were formerly enrolled at Carlisle but left there last December on account of ill health. In that connection I have to say that the existing regulations require that you should return to Carlisle, especially as your term of enrollment there has not expired, unless there are special reasons for making a change and Superintendent Lipps gives his approval. I would advise you to take up this matter at once with Superintendent Lipps and, if your health warrants, arrange with him for your return there or get his approval for your enrollment elsewhere.

Dear friend Thomas:

I have received your letter of a recent date and am pleased to know that you contemplate returning to Carlisle to complete the course of work that is offered here. Let me assure you that I will gladly have it arranged so that you can resume your work, although I cannot assure you at this time that permission can be given you to join your class. However, I do know that a chance can be given you to make just as rapid progress as you are capable of making.

In this connection I must call attention to the fact that in our records your age is given as now being 21 and as your return home had to be effected before your original period of enrolment here had terminated it will now be required that you pay for your transportation from your own funds.

Hoping I shall hear from you again and that we shall see you here soon, I remain,
