Mr. Lipps, Supervisor

Julia Connell was returned to the school from the Outing April 16, 1915, because she was a failure out.

The Clothes Matron upon examination of her government clothing found she was short

- 2 white aprons
- 1 serge school dress
- 2 winter union suits
- 1 summer uniform.

The serge dress was returned later but was cut up and unfit for wear.

Julia, it seems to me, should pay for the clothing which she carelessly and wilfully destroyed. We have approximated the cost of the destroyed articles at \$5.00.

Respectfully

I would like to tell the Children

was, that if I had them ~~clear~~
they could come home during
vacation & help me work on
the farm, would it be all right
any time I can have the money
ready. I am Respectfully

Willie Connell
Reserve, Kansas.
Dear friend:-

I have your letter relative to your daughter Julia and have to say that she is now living with Miss J.M.Diamond, Harberth, Pennsylvania, under our outing system. I am sorry to report that we have not had such good reports about Julia. Miss Diamond says she is not clean about her person and room and has to be watched and urged constantly about this. She is also lazy.

Miss Johnston, one of the employes of this school whose work it is to visit all the girls under the outing, leaves the school tomorrow for the outing district, and will see Julia. I hope she may be successful in urging Julia to better efforts.

At any time you can send me money to pay the children's fare to Carlisle and for their fare to Haskell, I will attend to their transfer.

Very truly yours

Supervisor in Charge.

Any general statement or wishes of patron or pupils, together with Agent's estimate of place, people, and pupil:

Julia Connell has made a most miserable record under the Acting this winter. She has had every advantage comparatively light work, no children (she asked to be placed where there were no children and ^{put} three ladies in the home.

Had her conduct been reported earlier, severe measures would have been taken but I judge Mrs. Conly feared to report thinking she would be left entirely without any help. Mrs. Conly now allowed her the privilege of taking music lessons thinking this would make Julia more agreeable. I gave her a most severe talking and she promised to mend her ways. She must return to Carisle at the first opportunity. The teachers at Glenside also promised to aid in helping her to change her way of dressing, manner, etc. during the time she remains in school.

than we can receive. The said letter of Supervisor Lipps

Dear Sir:
is returned to you herewith.

I have your further letter of the 22nd instant in
reply to mine of the 20th instant in regard to the transfer
of your three children from the Carlisle school to Haskell
for enrollment. I have noted the contents of the letter
of Supervisor O. H. Lipps in charge of the Carlisle school,
dated April 16, 1914, quoting from Indian Office letter to
him, dated April 10, 1914.

Since nearly a year has now elapsed since the
above correspondence took place, it would seem to me that
it would be advisable to permit your children to remain at
Carlisle until they complete their term there. There is
always some loss of ground when such a change is made from
one school to another and I have always favored the policy
of having our Indian children continue in the school where
they first enroll until they complete some course.

However, if you should still wish to make the trans-
fer next summer, and the requirements set forth in the above
Indian Office letter as to reimbursement of the Carlisle
school for transportation etc. are met, we will give the
applications for the enrollment of the children here due con-

sideration. The matter must, however, be taken up early in the summer as we are likely to have many more applicants than we can receive. The said letter of Supervisor Lipps is returned to you herewith.

Julia Cornell.

Spent a week-end over and left there

My dear Miss Johnson

Ray told me
I did not understand
you as I understood we
were not to say anything
- Julia about it until
we heard from you & then
she was not to be left
to go on the street alone
as I took her to church

last evening now I am sorry
I did not understand but if
you only knew how busy
I was when you called one
drown the other my mind
so full of work upstairs
+ this morning things were
full again I had to make
the report out I just
went right good in Habits
+ conduct - ~~then~~ I went
into his room + saw a
place not clean I said

she must clean that I did not have
time to make an investigation until
this afternoon & found a number
of boxes ^{things} under her bed now in
my hurry I looked in & thought all
was right; I see I will have to
take more time to just investigate
& see just how things which I
will endeavor to do & then I will
know better how to make reports on
you told me to be honest I really should

have taken time you do not
know how busy I am with other
things as I will be here after
to see to things myself in
the room & then I will
know Miss Johnson they had sent
word from Carlisle to send \$3.59
the other day which I sent a
check for & Ray said I was
to pay tomorrow as I suppose
they will straighten it out,
hoping to get things right-
here after Sincerely

Julia Connell

My dear Miss Johnson

Did write you
a letter in regard to Julia
I feel sorry for her too
it seems to me there
have been no good prints
given her for credit

I must say she could fry
Egg plant most delicious
+ mash white - Potatoes

of course there were other
things she could cook also
In cleaning she needed
some one to watch over
her as it seems she did
in going on The Shell
if she only well, she could
do for she certainly was
strong enough

Very Sincerely

Dear Sir:

I have received your letter of March the 2nd. A copy of the letter that was addressed to you by Superintendent Wise of the Haskell Institute had been forwarded to me for my information.

In this connection I will state further that our Commencement exercises are to be held this year from May the 16th to the 21st and that after the latter date your three children can be sent home if you have deposited here by that time the amount that was referred to in my former letter.

I will co-operate with you as may be required to get your children home.

Mr O. H. Lipps
Carlisle Indian School
Carlisle, Pa.

Dear Sir :-

I got an answer from Mr
J. B. Wise of Haskell. In regards
of enrolling my children, his
advice was to permit them to stay
there & finish their term.

But he is willing to enrol them
next summer. If I reimburse Carlisle
their money for transportation for
Edward & Julia Combs

So I would be willing to do that
I would like to have them
come home this vacation

you can think this over
and you can let me know
the only reason for me doing
this so I have no one to keep
house for me. I am farming so
I think having the children
little close I could have them
home during the busiest time
so I hope ^{you} will look at this
matter right hoping to hear
from you so I know what to do
I remain your Respectfully

Dear Miss Connell:

On checking over the pupils' bank accounts at this school, I find that you have a balance of 6¢ and I am enclosing a check for that amount. As the amount is so small and you may have some trouble in cashing the check, I suggest that you sign and endorse it and return it in the enclosed franked envelope, which requires no postage, and I will send you 6¢ in postage. Please attend to this as soon as possible as we are sometimes caused considerable trouble by checks being held and not cashed.
