Supt. J. L. Schuff.
Fairisle, Pa.

Dear Sir:

Yours of the 27th is at hand and in reply, I must say that there was some misunderstanding on the part of O. F. Whitley of Fairisle Commercial College regarding the tuition. I had paid my accounts with him previous to my departure. I had sent the check, Bill & a receipt for same showing that I owe him not a cent.

Inclosed you will find telegram from my agent Supt L. M. Compton of Tomah, Wis. whereby he has given me consent to draw my fund there. Can you make the proper arrangements whereby my fund can be transferred

to the first National Bank here?
If you cannot have it trans-
ferred here thinking that this
telegram is not a sufficient
proof, send my fund to Supt.
L. M. Cornpton immediately
and he will arrange matters
for me.

I am doing fine and
like my new life very well.
I am employed by the Penna.
R. R. Co. and also under
the Mishler Theater Co. here
as an Orchestral member.

My best wishes to all,
I am, sincerely

My dear Sir:

On Monday of last week William Winneshiek requested Superintendent Lipps to give him permission to leave Carlisle. As William had not shown the right attitude for some time, although he seemed to be doing satisfactory work in the Carlisle Commercial College, the desired permission to sever his connection with this school was given him and he went to Altoona, Pennsylvania.

Herewith is being enclosed a check in the amount of \$296.89 which transfers to you the entire sum yet to the young man's credit in our School Bank.

Very respectfully,

There seems to be no doubt that you are one of the boys who, on the evening of the twenty-seventh of this month, took a bee hive from the premises of Mr. Lackey, just beyond the Indian School oats field, and destroyed the contents in the oats field nearby.

It is my intention to take from the bank account of each one of you boys the sum of \$3.00 to be turned over to Mr. Lackey in payment of damages which he suffered in the loss of this bee hive.

If you have any objections to my proposed action, as above stated, you are requested to see me in person not later than ten o'clock tomorrow forenoon and state your objections.

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.

My dear Sir:

I regret very much to report that your son William has been ill in our school hospital and that thru an oversight you were not notified before this date of his condition.

A favorable report has come to me this afternoon from our school physician and I take pleasure in submitting a copy of it below for your information:

"I beg to report that William Winneshiek has had the erysipelas and was quite sick for a number of days. He has now passed the more acute stages of the disease and is well on the road to recovery. There is no cause for anxiety in regard to his case."

It is hoped other more favorable reports can be conveyed to you from time to time and that soon a complete recovery can be announced.

Mr. Meyer:

I am glad to report that William Winneshick is well on the road to recovery. I expect to have him up and around by the end of the week. He expresses himself as "feeling fine".

The following patients, all of which are tubercular, I recommend to be sent home as soon as arrangements can be made: Edward Sockey, Alice Logan, Alvina Menette, David Ironelk. All these children are now in excellent condition having had weeks of treatment. They are in fact to be considered as having recovered so that I can hardly recommend them to sanatorium treatment. In case the home conditions of any of these children is very unsatisfactory that child may be retained, but otherwise I consider the confinement and strain of school life undesirable.

Respectfully,

Walter Rindtloff M. D.

"I am glad to report that William Winneshiek is well on the road to recovery. I expect to have him up and around by the end of the week. He expresses himself as 'feeling fine'."

My dear Mr. Compton:

William Winneshiek, one of the Wisconsin Winnebago boys enrolled at this school, has requested me to make inquiry about the amount of money he has to his credit under your jurisdiction since the "last payment" was made.

William is anxious to use some of the money to pay necessary expenses he would have to incur to attend some school during the vacation months and I would thank you to let me know how you could co-operate with me to have him carry out his plans.

Though the money, or part of it, cannot be sent on at once your assurance that it can be used within a reasonable period of time would enable me to assist William to complete plans for his schooling during the summer. As our school work for the year is to end this week I hope I shall hear from you soon.

Dear Mr. Compton:

This is to acknowledge receipt of your letter of May the 20th, relative to the funds William Winneshiek has to his credit under your jurisdiction. I have had another talk with William and as he could use his money to good advantage in taking up additional school work during the vacation months I respectfully recommend that you have the amount due him transferred here to be expended under my supervision. If it is necessary to restrict the use of the funds to school expenses outside of Carlisle I desire to be advised definitely.

In this connection I have to report that William Hall desires to have similar use of the funds to his credit, and I also recommend in his case that the amount to his credit be transferred here to be used in paying expenses incident to his education.

Thanking you for your co-operation, I remain,

Dear Mr. Lipps:

In reply to your letter of May 17th, relative to funds of William Winneshiek, I will say that he is on the trust fund roll of the Wisconsin Winnebago Indians, and has \$418.77, in the Treasury of the United States.

If it is your desire, I will request the Indian Office for authority to withdraw this amount and have it deposited with you. Then it will be subject to your jurisdiction. Perhaps it would be well in reply to this letter to give the reason why the money is needed by William, as the authority for withdrawal must come from the Secretary of the Interior.
