Callie has been asking to stop school but there is no reason whatever for any such move. Callie would rather do housework than attend school. She is inclined to be a little boy struck so needs a careful patron. Callie has a good disposition and is quite agreeable to work with.

Mrs. Parker is an excellent patron - good character and the girls always like her home and its surroundings.

Mr. DeRuff

Miss Johnston and I have considered this case carefully and it seems to us that it would not be for Callie's best interests to stop school.

She has gone as far as she is able in the schools of Beverly, so it is not advisable to keep her there.

Our plan is to bring her in and let her take up some work along industrial lines here. She is a splendid worker and I think would make good.

She is 22 years old. Her time is up. There is nothing for her ~~to~~ to do at home. She is a Cherokee from North Carolina.

What shall we do in her case ?

Dear Sir

Your letter regarding
outing pupil received.
Callie Snayney would
like to remain all
winter with me if
possible, her term was
up at the school last
spring but as there
seems no future there
for her she would

to go home for a
in the Fall, stay
month and return.
He is now 22 years
old and is not
needed for anything
at home, but
no time seems an
impossible place to
run a living and
her family are as all
these Southern Indians
all. She does not
care to go to school
any longer and in

to go in with her as she will
do. She failed in three
subjects this spring, took them
over and failed in two mul-
ty passing in the other. She
wants to earn money all
winter if she can. In return
turn the middle of September,
perhaps the nation could see
me and talk this matter over.
She would not want to visit

her time before October
November. After all my
years of teaching I do
not want Catherine to go to
and become as her fam-
ily are. She is very anxious
to stay with me.

Hoping this may meet
with your views, I am

Dear Madam:-

I have not written to you sooner in answer to your letter of the 20th inst because Callie Swayney's case has been under special consideration and a decision regarding what seems best to do in her case, has just been reached. I think she should return here for continued study. You can send her to Carlisle September 1st, the day the other girls come in and I will arrange to send you another girl the same day.

If any member of your family can meet the new girl in Philadelphia, Broad St. Station at 11:59 A.M., you can send me her fare to that point only, which would be \$3.08. If you want her sent to Sea Isle City, you can send me \$4.93. I enclose Rules for your signature. Sign and return all.

The girl selected to go to you is Olivan Arch.

Mrs. Laura Swayney,

Swayney, N. C.

Dear Madam:

I am in receipt of your letter of December 23rd, requesting that I send Callie Swayney home at once, as her father is very ill. Regarding this matter, I have to advise that you should make your request through Superintendent Henderson. This is required in all cases where parents living on the reservations desire to have their children come home before their term of enrollment expires. Recently I received a number of requests from relatives and parents of Cherokee pupils from North Carolina requesting pupils who are at school here to come home immediately, on account of some illness in the family. All of these requests have been referred to Superintendent Henderson, as I cannot act upon them without his recommendation.

Very respectfully,

My dear Mr. Lipps:

Answering your letter of December 28th, asking me to advise regarding the return of Callie Swayney, to see her father, I will say that Mr. Swayney is bed-fast at the present and his family is very uneasy, however, I am informed by the physician that Mr. Swayney's condition is such that he may live a long time.

I cannot, therefore, recommend that Callie be sent home at the present time. I will inquire more carefully into Mr. Swayney's condition and report to you later.

Dear friend:-

I have received an answer from Mr. Henderson relative to Callie Swayney's going home on account of the illness of her father. He says in part, "Mr. Swayney is bedfast at the present and his family is very uneasy, however, I am informed by the physician that Mr. Swayney's condition is such that he may live a long time. I cannot, therefore, recommend that Callie be sent home at the present time. I will inquire more carefully into Mr. Swayney's condition and report to you later. "

It seems best that Callie give up her idea of going home for the present as there seems to be no immediate necessity.

My dear Mr. Henderson:

Calcina Swayney has returned to school from her Outing home and now desires to go to her home for a visit. Her period of enrolment here has terminated and she is entitled to receive transportation at Government expense. Therefore, it is being arranged so that she can leave here on Tuesday morning of next week with a ticket for her passage to Ela.

It is Calcina's plan to return to Carlisle after she has had about a month at home with her people, and she is leaving more than enough of her earnings to pay for her return transportation. I will be pleased to have you inform me at a later date when the ticket is to be made available and to approve an application for her re-enrolment.
