SPECIAL NOTE.

This form must be executed in duplicate when a child is transferred from a reservation to a nonreservation school. The Superintendent of the nonreservation school will retain the original for his files, and the duplicate shall be deposited in the Agency records. The agent will then send to the Commissioner of Indian Affairs his certificate as provided by law. All the blanks must be properly filled in every case.

If the information called for on any part of the blank is not known, that fact should be stated. No space should be left unfilled. Whether the parents are living or dead, their names must be given.

The person who signs the blank as consenting to the transfer should indicate his relation to the applicant by marking out the word "parent," "guardian," or "next of kin," leaving unmarked only the title appropriate to the signer.

INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case; but in all cases where the parents are living they should first be consulted.

This form is to be used only in transfers from reservations or Indian schools to nonreservation schools.

Nov. 20th, 1914.

Mr. W. A. Bonser,

Rosebud, South Dakota.

My dear Mr. Bonser:

I have noted in your letter of November the 15th that you desire to have your daughter Orrell sent to her sister's home at Knoxville, Tennessee, to remain there under our Outing System. In reply to your letter I must state that Orrell can be released from this school to go to her sister's home, but that it would be inadvisable to keep her name on our school rolls as an Outing student. She could not be visited at your daughter's home and though she would be well taken care of there her status would be different from other Outing students. If it is agreeable to you, therefore, to have Orrell released from this school when she is sent to her sister's home the arrangements desired by you will be made just as soon as the required funds to pay for her transportation are placed on deposit here.

I am writing to Mrs. Brown about Orrell's coming as you suggested.

Hoping that you will let me hear from you soon what

-2- Mr. W. A. Bonser, Rosebud, South Dakota.

action is to be taken and assuring you that I will gladly co-operate with you further to do what may seem best for your daughter, I am,

Mrs. Jessie Brown,

111 Silver St., Knoxville, Tenn.

My dear Madam:

At the request of your father I am writing you that he desires to have your sister Orrell come to you to make her home with you. It is his desire that she shall be kept at your home under our Outing System, but I have just written him to the effect that it would be inadvisable. Because your home is so far distant from Carlisle it would be better to release Orrell from this school altogether when she is sent on to you, and I shall not object at all to her coming to you under such an arrangement.

Your father has been advised that Orrell can be sent on at any time if the arrangements suggested by me are agreeable to him and upon receipt of the amount that will be required to pay for her transportation.

May I hear from you relative to this matter?

Dear Friend Orrell:

You will find enclosed herewith a certificate to the effect that you have promised to abstain from the use of intoxicating liquors as a beverage. There is also enclosed a pledge for you to sign, which should then be returned to me in the envelope herewith. I trust it will help you to be an influence in preventing others less fortunate than you to abstain as you have promised to do.

My dear Mr. Bonser:

Your letter of the 17th instant has been received here, and in reply thereto I must state that your daughter Orrell left here on Saturday evening for Mr. and Mrs. Brown's home at Knoxville. Arrangements were made for the girl's care enroute and you have probably been notified direct that she arrived at her destination without difficulty.

Special authority was granted by the Indian Office at Washington to pay for Orrell's transportation from Government funds. That necessitated dropping her from our school rolls here and so she cannot be carried under the Outing System as you suggest.

Thanking you for your kind personal wishes and assuring you that it is a pleasure to know your son Laverne is getting along so well, I am,

Dear Mr. Lipps:-

Bonsor

Orrell arrived O. K. She will start in school next Monday, her teacher said she would put her in the same grade she was in at Carlisle "5th B". I have also made arrangements for her to start her music lessons next week. We sent her to town to-day with my Mother to get her new shoes, hat and etc. She seems to be well pleased and says she is going to study hard and try to learn.

Mr. Lipps we sure appreciate your kindness and trouble you have been too in sending Orrell, and hope that I may have the chance to be of service to you some time. Orrell has a nice large room all my her self, and talks a great deal about Leona and wishes she was here with her, and that has got us thinking about it, so it may be that by spring we will be able to take her. We will get in touch with Father Bonsor, and have him write you saying we can have her when we get ready, then we can let you know later as to the date.

Will let you know how Orrell gets along. Again
thanking you for your kindness, I am, Yours very truly,

Dear Mr. Lipps:-

Just a few lines in regard to Orrell Bonser.

We have finally decided to take her, and just mailed a letter to Father Bonser on the subject. The reason we have been so long in deciding, why we were waiting on Father Bonser in regard to the proposition we put up to him on helping us out on her clothes. He finally answered us saying we could have her and to send for her when ever we wanted her, but didn't say any thing about helping. So as I have to work four nights a week until ten o'clock why I feel that Orrell will be lots of company to my wife, and she can also help Orrell with her lessons and Music, and we have decided to take her anyway. We are taking Orrell for two reasons only, that she will be company to my wife and that we will be of help to her.

Mr. Lipps as we intend taking her for good, why do you think there would be any chance of you getting her transportation herethrough the school? I would not think of asking

you to try and get this, but as you understand the circumstances we are taking her under, and she will have to have books, new clothes, and etc. when she gets here and as she is coming to stay I think the School should send her, and know if it is at all possible that you would do it for us.

We visited my wifes sister (half sister) who married Sam Saunooke both graduates of Carlisle, they have a three hundred acre farm up in North Carolina, and are getting along fine. Sam wrote me and wants a position here at Knoxville, which I think I can get for him, and they would move here. They intend taking Leona to live with them when they get settled, and later on we may be able to take Elsie.

We sent Orrell some Kodak pictures of our home, and told her to show them to you. Will close for this time, hoping to hear from you at your convenience, and will appreciate all you can do in this matter. If you at any time are down this way with the team, take time to spend at least a few days with us, Dad has a new Cadallac machine and I will spin you out to your old home.
