INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them is living, and if neither of them is living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, that hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case.

This form is to be used only in transfers from reservations, or Indian schools, to nonreservation schools.

Applications for enrollment must be submitted in all cases for consideration before transportation can be made available. Mr. George Squirrel,
Salina, Okla.

Dear Sir:

Replying to your letter of December 30th, in which you state that Nelson Toolate has written you that he is very sick and wants to come home, I have to advise that Nelson was seen at my office immediately upon receipt of your letter and I sent him to our school physician, who examined him and who has just submitted to me the following report:

"As to Nelson Toolate I must say that I can find nothing about him that would justify me in recommending his dismissal. I have looked him over carefully and would ordinarily give him the benefit of a doubt."

For your information, I will state further that Nelson looks the picture of health and no one here has been able to observe anything about him that would indicate that he is not well.

Very respectfully,

OHL:SR

Mr. George Squirrel,
Salina, Oklahoma.

My dear Sir:

I have received your communication of the 17th instant, in which you request that arrangements be made to have Nelson Teclate return home for the summer vacation months. In reply thereto I must state that when similar requests were brought to the attention of the Supervisor's office at Muskogee it was decided that members of the Five Civilized Tribes enrolled here should not go to Oklahoma for the summer unless it can be established that such a visit would be of benefit to them.

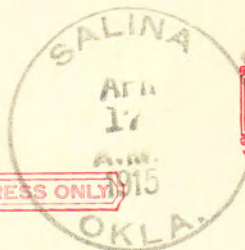

It is my suggestion, therefore, that you submit your request to Superintendent Parker's office thru the Field Representative in the district in which you reside. If Nelson is needed at home and would benefit by his experiences favorable consideration may be given your request.

Very truly yours,

HKM.

Supervisor in Charge.

Mr. E. H. Booser,
Special Officer, P. & R. Rwy. Co.,
Harrisburg, Pa.

My dear Sir:

Replying to your letter of the 19th instant, I respectfully ask that you mail to this school the bunch of keys and the folder you have had in your possession since Nelson Toolate, alias Joe Bird, alias Kenneth Coe King, was released by you to a representative from this school on July the 7th. The envelope I am having enclosed herewith may be used without affixing a stamp.

In this connection I beg leave to state further that it was formerly customary at this school to pay officers apprehending deserters certain sums of small amount, but lately stricter requirements in so far as the attainments of students are concerned necessitate the policy of discontinuing such a practice except in very unusual cases where the return to school of a deserter is believed advisable for the effect it will have on others similarly inclined. Toolate's case is not believed of sufficient special importance to justify the paying of a reward for your services. However, if you had to incur any expense in ap-

Remarks and recommendations of superintendent with reference to eligibility and need of Federal aid:

Superintendent.

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.
