NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. Mrs. Josephine Hoheart,

Wakpala, South Dakota.

Dear Mrs. Hoheart:

I have received your letter of April the 20th and will state in reply thereto that your daughter Louise is well and again getting along satisfactorily.

Some time ago she refused to do what was required of her in school and all efforts that were made to have her see the importance of obedience failed. I, myself, spent the greater part of one half day to win her confidence and to point out to her wherein she should have done differently. Finally she was confined to a room by herself and it took her the greater part of a week to decide that she wanted to try again to do what was desired.

Louise is somewhat stubborn and if she can overcome that trait of character she will get along very well. At present she is doing the usual school work.

Regretting very much that such information has to be conveyed to you and assuring you that only the kindest consideration has been given her case, I remain, with the

hope that no other such a report has to be made while

Dear Mr. Lipp

I am so sorry, that I haven't heard of my daughter Louise Noheart I got a letter last February 17. I wonder what is the matter with her, tell me where she is. I never lost one of my child, and I want to hear her every month but what for she didn't write to me, that make me feel badly.

Mr. Claude C. Covey,
Superintendent, Standing Rock Agency,
Fort Yates, N. D.

My dear Sir:

Louise Noheart who was enrolled here from Wak-
pala and who has been more or less stubborn during all
the time she has been at Carlisle, seems to have made up
her mind that she will not go to school or do any work of
any kind. The several hours I spent yesterday in appeal-
ing to her seemed to have no effect whatever and I would
thank you to advise me at once what shall be done.

Louise desires to return to the home of a lady in
Mobridge for whom she worked for five months before she
came to Carlisle, but her attitude is such now that any one
who had been interested in her would have to be advised re-
garding her conduct before renewal of previous relations
could be allowed.

Assuring you that any suggestions you can offer will
be appreciated, I am,

Very respectfully,

HKM.

My dear Madam:

The letter you addressed to me on August the 16th was referred to our School Physician, and he has this morning submitted to me a report as follows:

"On looking up Louisa Noheart's history I find that she has a clean record as far as serious illness is concerned. While out in the country she had an acute illness which was diagnosed as appendicitis. From a thorough examination I am inclined to think that this is nothing but an inflammation, or perhaps better a congestion of the right ovary, which has troubled her in the past. You may assure the mother that there is nothing seriously wrong."

In view of the fact that Louisa is here at school where she is under constant observation and where medical attention could be given her at any time it is my opinion that there is no need at all for alarm regarding her physical condition.

Very truly yours,

Louise returned to school with the party of girls who came in on the 1st of September and since then, at her own request, she has been given permission to go to another Outing home where she will have the privilege of attending a public school.

Assuring you that it is a pleasure to convey so favorable a report to you and hoping that Louise will like her public school work, I am,

Very truly yours,

My dear Madam:

I enclose herewith an authorization paper in triplicate that requires the signature of Louise No-heart. The letter from the Superintendent of the Standing Rock reservation I also enclose contains an explanation in regard to the matter and I would thank you to have Louise sign each of the three forms as is desired.

Will you please return the papers and the letter mentioned to me in the envelope I enclose? A stamp need not be affixed to the return envelope.

Very respectfully,

My dear Sir:

Since the time my letter of the 13th instant was addressed to Mr. and Mrs. Noheart regarding the coming home of their daughter Louise an additional amount of money for her use has become available from her Outing home.

In view of the fact that the girl has had to be confined at the Girls' Quarters here since her return to school from her Outing home had to be effected arrangements are being made to have her leave here this evening. At her request transportation for her use to Morean Junction will be procured. She states that her parents live within walking distance of that station.

I enclose herewith a copy of the telegram that will be sent you as a night message.

Very respectfully,

HKM.

Superintendent.

Mr. Kirk:

Please have it arranged so that a conveyance will be sent to the Girls' Quarters in time this evening to take Louise Noheart to the train at 5:37.

At the same time there should be taken to the C. V. Station a trunk that belongs to Leo Nolan, which can be secured at the Large Boys' Quarters.

In this connection your attention is called to the fact that the large herdie was not sent to meet the train at 8:22 on Saturday evening as was directed.

Very respectfully,

HKM.

Mr. O. H. Lipps,
Supt. Carlisle Indian School,
Carlisle, Pa.

Dear Sir;

I understand that Louise Noheart, Standing Rock Sioux Allottee No. 335 is at Carlisle so I am sending a blank for her to sign authorizing her mother to receive and redeipt for her issue benefits. I have dated it back to July 26, as her mother signed for her cows and mares at that time and I would like to have the one authorization do for all the receipting and receiving.

Can you please secure her signature to the blank in the three places?

Respectfully yours,

Superintendent.

My dear Sir:

Thru a misunderstanding Louise Noheart's signature and endorsement on the check I enclose herewith was not secured before she left here last evening. The amount specified is the entire balance she had to her credit in our school bank and is to be placed on deposit here to cover the cost of the ticket that was procured for her and the amount in cash that was advanced her to pay for incidental expenses enroute home.

Will you please have the check signed and endorsed as is required?

Very truly yours,

Mr. and Mrs. Noheart,
Wakpala, South Dakota.

My dear Friends:

It is noted in your letter of the 8th instant that you are anxious to have your daughter Louise at home and that you intend to provide the amount that will be required to pay for her transportation.

I shall not object to the girl's going home because she has refused to go to school at her Outing home and is evidently not willing to make an attempt to profit by what we can do for her here. She has some money to her credit in our School Bank and if an amount of \$20.00 can be sent to me there will be a sufficient amount available to pay for her transportation home.

She will be allowed to leave just as soon as I hear from you and the required balance to pay for her transportation is received.

Very truly yours,

HKM.

Superintendent.

Dear Miss Johnston:-

Mrs. Ewing met Louise Noheart at Harrisburg according to arrangements and she is now under confinement. She showed defiance and refused to be locked up but Mrs. Ewing persuaded her to go in. She will remain there until she has had a little time to think about her actions when I will send for her to come to the office for a talk.

Very truly yours

Supt Lipps

Dear Sir.

I find it
impossible to make
Louise Hobart go to
school. My patience
is about exhausted.
I have warned and
scolded by turns
to no effect. I never
came across such

a stuttern disposition. After two weeks of persuasion finally I must report to you that I have failed. It was like pulling teeth to get her to Sunday School yesterday. She really does not know what she wants and will not let any one decide for her.

She is extremely slow but
has good penitence - and it
not for her sluttiness.
I am sorry to write this
as it means trouble for
you and Miss Johnston
but you know from expe-
rience what it is to buck
up against a nature like
this. I think even she
deserves no consideration

and should get on
coming to her. I am
advice me what I
shall do. She complain
so of her eye but as
yet I have done nothing
as I did not want
the expense of a visit
to the oculist if she
had to return to the
school.

Sincerely

Wm. L. T. Parker
