My dear Sir:

I regret very much to advise you that your son William deserted from Carlisle yesterday and that nothing has been heard regarding him since he left here.

If he arrives at your home or you learn where he is I would thank you to notify me so that our records may be complete.

This is also to advise you that arrangements are being made to have Bert Lewis leave here this evening for Tulsa. He has not done any good here and has probably influenced your son to do a great deal worse than would have been the case if Lewis had not associated with him.

Very truly yours,

HKM.

Superintendent.

Mr. J. W. Turley,

Tulsa, Oklahoma.

My dear Sir:

In further reference to your telegram regarding the reported illness of your son William, this is to state that he had to be vaccinated when he arrived here and that the condition he mentioned in his message to you was nothing more than the slight fever that resulted from the effects of the vaccination. William is now all right, as has been reported to you in a telegram of which I enclose a copy herewith.

Thanking you for this opportunity to explain to you in detail what your son's ailment was, I remain,

Very truly yours,

HKM.

Mr. J. W. Turley,
Turley, Oklahoma.

My dear Sir:

I did not find enclosed with your favor of the 17th instant the letter from your son William you intended to forward to me for my information, but I am sure I know exactly what William's trouble has been. He has been a very homesick boy and has felt like taking unusual chances to get home. The Disciplinarian at this school was seen at this office this morning regarding William and stated that he is becoming accustomed to the school life here and better satisfied. He will probably write you soon that he will eventually like Carlisle.

It is my suggestion that you write to him to stick to his work here. Such a letter from you will be encouraging and will help him to make up his mind to take advantage of his opportunities.

I thank you for your letter and I hope you will not hesitate to write to me at any time I can cooperate with you to care for your boy and to do the best possible for him.

Very truly yours,

HKM.
