---

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

*Provided*, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

That no Indian pupil under the age of fourteen years shall be transported at Government expense to any Indian school beyond the limits of the State or Territory in which the parents of such child reside or of the adjoining State or Territory. (35 Stat. L., 781.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case; but in all cases where the parents are living they should first be consulted.

Dear Friend:

I have your letter of the 26th and have to inform you that in accordance with the wishes and requests of your two sons, Frank and Louis, they were sent under our Outing System on April first, and they are now living with Mr. Wm. P. Balderston of Yardley, Pa. I have had no word from them that they are dissatisfied and no complaints from Mr. Balderston so that I take it that they are getting along all right.

I am sorry that they did not say anything to you about going to the country before, so that had you any objections they could have been presented before we arranged for them to go out. Now that they are out and doing well, I think it would be a good experience for them to remain out, unless you have special reasons for wanting them to be at the school. You placed the boys in our care, and it was our understanding that you wished us to do whatever seemed best for them. This we have done.

Very truly yours,
