The agent will then send to the Commissioner of Indian Affairs his certificate as provided by law. All the blanks must be properly filled in every case.

Special cases beyond the age limit will be given consideration. An industrial course only can be taken and the term reduced to three years, in exceptional cases.

INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them is living, and if neither of them is living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, that hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case.

This form is to be used only in transfers from reservations or Indian schools to nonreservation schools.

DEPARTMENT OF THE INTERIOR
UNITED STATES INDIAN SERVICE

Cherokee, N. C., Sept. 8, 1913.

Mr. Nick Bradley,
Carlisle, Pa.

Sir:

Answering your letter of Sept. 5, with reference to your money I will say that your father had your share of the \$32.00 payment of Sept. 5, 1912 deposited to your credit in the American National Bank, Asheville, N. C. I can not send you any of your funds without first obtaining authority to do so from the Commissioner of Indian Affairs and since you did not tell me what you wanted to use your money for I can not make application to have same transferred to your credit at Carlisle, unless you have your Superintendent recommend the same.

You have \$79.28 in the American National Bank on interest at 5 per cent and unless it is absolutely necessary for you to have the money I would suggest that you allow the same to remain in the bank. I presume that you have had the opportunity to earn some money under the Outing System this summer.

Very respectfully,

James C. Hudson
Superintendent.

Mr. Vandaily Bradley.

Cherokee, North Carolina.

My dear Sir:

I have given your son Nick permission to come to his home for the holiday season with the understanding that he is to return to Carlisle to resume his studies right after the beginning of the new calendar year.

He has agreed to return for another three year period and I trust you will agree with me that under no circumstances should he now give up his school work. He is just at the very beginning of the period that will fit him to do useful work when his school days are over.

I hope you will be well pleased with your son and that his coming home will make the Christmas season the more pleasant for all of you.

Very truly yours,

HKM.

Superintendent.

Dec. 20th, 1915.

Mr. James E. Henderson,
Superintendent, The Cherokee Agency,
Cherokee, N. C.

My dear Mr. Henderson:

I am having attached hereto for your information a copy of a letter that has been addressed to Nick Bradley's father. The young man is to leave here tomorrow afternoon for his home and a ticket for his use to Elia will be procured for him.

Nick has come to see me several times recently in regard to his going home, as he came to Carlisle five years ago at about this time. I pointed out to him the necessity for now remaining at work until he has mastered some definite line of work and he agreed that he will return here right after the first of the year. He has signed an application for his re-enrolment and I enclose it herewith for your approval.

As Nick seems to be very sensible about the need for further training if he is to succeed I believe there will not be any difficulty about having him carry out his part of the agreement I have made with him. However, it

-2- Mr. James E. Henderson, Superintendent.

will be appreciated if you too will take the time to point out to him the necessity for determining anew to make the best possible use of his time until he has become an independent worker in some special line of endeavor.

With best wishes for the holiday season, I remain,

Very truly yours,

Encls.

HKM.

Superintendent.

November 26, 1915.

Mr. LIPPS:-

(Nick Bradley) asked this morning to be permitted to take nothing but trades instruction. Says he is due to go home January. If this is really true that he is going home in January, we might make this arrangement for him. In the same breath, however, he stated that if he is permitted to drop academic work now, he would probably remain until the home party goes next May or June. He is now in Grade VII and is 20 years old, he says. ~~He hasn't~~ His attainments in academic work are not startlingly high for his age. It might be a good plan to consult his parents and his agent before granting such permission as he asks. On the other hand, Nick says he wants to get a job as a plumber after he leaves Carlisle; that he tried to get himself placed upon the plumbing detail some time ago but was unable to work it until recently. There are two sides to the question, and IF HE REALLY IS GOING TO LEAVE CARLISLE IN THE NEAR FUTURE, I do not care to make any recommendation but shall be satisfied with any action you may take.

Very respectfully,

Febr. 10th, 1916.

Mr. Nick Bradley,
Cherokee, North Carolina.

My dear Nick:

Noting in your letter of the 7th instant that you are anxious to have the money to your credit here sent to you in order that you can purchase farming implements to help your father, this is to state that you should talk the entire matter over with Superintendent Henderson so that his recommendation can then be considered at the same time your request is given further thought.

I shall gladly cooperate in doing what is believed best for your father and for you as soon as I hear again from you and your Superintendent.

Very truly yours,

HKM.

Superintendent.

Mr. James E. Henderson,

Dear Sir,

I have your favor of the 21st relative to Nick Bradley and am enclosing herewith check for \$79.53 closing his account. There ^{are} ~~is~~ also enclosed three other checks, the one for 1.40 which represents the balance to his credit on transportation account, one for \$3.75 in favor of Dr. Line in payment of his dentist bill and one for 1.00 in payment of his church dues. Will you kindly have the latter two executed and returned to me.

DEPARTMENT OF THE INTERIOR

Cherokee, N.C., Feb. 21, 1916.

Mr. O. H. Lipps, Superintendent,
Carlisle Indian School,
Carlisle, Pa.

My dear Mr. Lipps:

Referring to your letter of February 10, to Nick Bradley, copy of which you forwarded to me, I have to advise that Nick and his father have been to see me a number of times relative to his going back to Carlisle. The father is alone and is an old man. Nick seems to think that he should remain and help him with the farm work. For this reason he has decided not to return to Carlisle and is asking that the money to his credit be forwarded to him for use in buying some stock and farming implements.

I feel that the boy is in earnest and that if he has the funds to his credit it would be wise to send them to him as early as possible so that he can buy the necessary tools with which to begin his farming. I would suggest that you make it a direct payment rather than a transfer so that there will be no delay in his getting the money. Should it be made a transfer I would then have to ask Washington for authority to make the payment.

Very respectfully,

James Chudown
Superintendent.

Remarks and recommendations of superintendent with reference to eligibility and need of Federal aid:

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.
