DEPARTMENT OF THE INTERIOR  
UNITED STATES INDIAN SCHOOL  
CARLISLE, PA.

Carlisle, Pa.

March 3rd., 1916.

Mr. Meyer:

William Bannock has an aggravated case of glandular tuberculosis

I recommend that he be sent home.

I have just discovered very faint signs of pulmonary trouble in the case of Burnell Patterson. This explains the vague signs of debility and anemia. I would recommend that he also be returned to his home.

Respectfully,

Walter Rudolph M.D.

Mr. Jos. H. Norris,  
Superintendent, The Shoshone Agency,  
Ft. Washakie, Wyo.

My dear Mr. Norris:

Our school physician has submitted a report this morning which indicates that William Bannock, who is enrolled here from the reservation under your jurisdiction, is suffering from an aggravated case of glandular tuberculosis and has recommended that his return home be effected. Before any action in the matter is taken, however, I would like to hear from you just what can be done for the young man if he is sent home.

If I can cooperate with you in any other way to care for William, please do not hesitate to advise me.

Very truly yours,

HKM.

Superintendent.

At the request of William Bannock it is being arranged so that he can leave here on Monday evening, March the 27th, for his home. A ticket for his use to Lander will be provided and he will have a sufficient amount in cash to pay for incidental expenses enroute.

I trust William can make the trip without becoming too greatly fatigued and that you will let me hear from you after he has reported to you.

I have your letter of March 3rd relative to William Bannock. His home conditions will not be of the best in the world although his father is rather a thrifty and hard working Indian. I expect it would be as well to send him direct here and we will do the best we can for him.

With kind personal regards, I am

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.
