Mrs. Frank Cadotte,

Box 185, Odanah, Wisconsin.

My dear Madam:

Having noted in your letter of the 10th instant that you desire to have your son Charles sent home this summer, I must state in reply thereto that such arrangements cannot be made unless you will provide the amount that would be required to pay for his transportation. He was enrolled here for a definite period of enrolment and will not be entitled to return to his home at government expense while he is in good health until the termination of that period.

Hoping that an improvement in your condition can be reported soon and that the necessity for your son's return home is no longer urgent, I remain,

Very truly yours,

HKM.

Supervisor in Charge.

My dear Madam:

As I did not hear from Superintendent Cross within a reasonable length of time after the receipt here of your letter of the 17th ultimo relative to the return home of your son Charles I brought the matter to the Superintendent's attention by wire. He did not recommend, however, that permission be given Charles to go home and so nothing more can be done at this time regarding your request.

I am writing you this reply to your letter in order that you may know exactly what the status of the matter is.

Remarks and recommendations of superintendent with reference to eligibility and need of Federal aid:

Superintendent.

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.
