### **INDORSEMENTS.**

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them is living, and if neither of them is living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, that hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case.

This form is to be used only in transfers from reservations, or Indian schools, to nonreservation schools.

**Important—**Only those students who desire to come to Carlisle because they have a definite purpose in view will be admitted. Applications for enrollment must be submitted in all cases for consideration before transportation can be made available. Time will then be taken to find out the records students have made in the schools previously attended, and to secure recommendations as to their *moral character* and their worthiness for further attendance at a Government institution.

Dear Mr. Francis:

Referring to your telegram of yesterday, relative to the return home of Katherine Fox on account of the illness of her mother, Lena Fox, I immediately tried to get in touch with the physician at Checotah who signed the certificate for the enrollment of Katherine. I was informed that he was not in town and would not be for several days. This morning I called Mrs. Fox and her son, a brother of Katherine, answered the 'phone. He states that it is not necessary for Katherine to return home at this time and that his mother, who lives a few miles from Checotah, is doing very well, hence my telegram of today to you.

If Mrs. Fox's health should require the return home of Katherine before the school closes I shall notify you at once.

Very truly yours,

Mr. O. H. Lipps, Supt.,  
U. S. Indian School,  
Carlisle, Pa.

Dear Mr. Lipps:

Your letter of February 20th addressed to the Superintendent for the Five Civilized Tribes has been referred to me for investigation and report. I am enclosing herewith appraisement of the land covered in the lease contract together with lease contract and draft in the sum of \$50 as first payment on said lease. The appraiser reports that the rental of \$100 per year for this land is adequate and that the lessee is a responsible person and will properly care for and improve the place in accordance with the lease contract, and unless Miss Fox desires to use this land herself I would suggest that she sign the lease and return same to the lessee.

Sincerely yours,

  
Field Clerk.

Dear Katie:-

Your letter to Mrs. Denny asking for the lease contracts on your land which you left at the school, comes to this office for attention.

I find no lease contracts in your file but I do find a copy of a letter telling what was done with this contract. This letter written to Mr.A.B.Keith, Field Clerk, on April 2,1917, reads as follows,-

" I am returning herewith the lease contract properly signed by Katie Fox."

Very truly yours

Superintendent.

Dear Mrs. Fox:

Supt. Francis, of the Carlisle Indian School, reports that your daughter Katie has not returned this year and I am writing you to request that you have her report there immediately.

Her application for a term of three years was approved in 1916 and therefore her enrollment will not expire until 1919. Please advise when you will have Katie return to Carlisle.

Very truly yours,

A.S. WYLY.
