My dear Sir:

When your letter of the 20th instant was brought to the attention of Joseph Turning-holy he stated that his request to go home was filed at the suggestion of his parents and that at no time has he been anxious himself to leave Carlisle.

In view of the fact that there is very little that Joseph could do at this time for his parents he will remain here as you suggest.

You will find enclosed herewith the correspondence you forwarded to me for my information regarding the matter.

Very respectfully,

My dear Friend:

This reply to your letter of March the 15th has been so long delayed because I have awaited another letter from you with which you stated you would send a sufficient amount of money to pay for your son Joseph's transportation home.

As the remittance has not been received by me I take this opportunity to state that I shall not object to Joseph's going home before the close of the school year if you require his services and pay for his transportation. Just as soon as I hear from the action desired by you will be taken.

Thanking you for your kind expressions of personal interest, I remain,

Very truly yours,

I will forward enough money in the next few days to buy his ticket home.

I wish to express my appreciation for the work being done in your school for the Indians and especially for the help you give to my son.

Hoping that you continue your success in your school in the future,

Remarks and recommendations of superintendent with reference to eligibility and need of Federal aid:

Superintendent.

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.
