My dear Sir:

Upon receipt of your letter of January the 23rd, with which you returned to me papers and a letter that had been forwarded to you for your information in connection with the allotment exchange for Mabel Gilpin's mother, Mabel was seen at this office and was advised that her interests will be protected without the help of a lawyer and that she shall ignore the letter that had been addressed to her. If at any time I can co-operate with you further to keep the girl informed about the status of the case I will gladly do so.

Mildred Sheridan had signed and returned to me the original of a lease you refer to in your favor of the 23rd, but it had to be forwarded again to her because the acknowledgment before a Notary Public had not been executed. However, it is now enclosed herewith.

The lease requiring the signature of Andrew Solomon is also being returned herewith. It is signed and otherwise executed as was requested by you.

Dear Sir:

I am in receipt of your letter of January 20, regarding papers and letter brought to your office by Mable Gilpin.

The matter contained in these papers is being handled by this office and we have done all we can in the matter at the present time. All papers pertaining to the exchange of the allotment of her mother, Nancy Gilpin, have been forwarded to the Department for consideration. Action is being withheld on account of certain suits pending in Federal Court. It is not believed that it is necessary to employ an attorney to look after this matter. Letters and papers returned.

Some time ago we forwarded to your office original copy of lease to be signed by Mildred Sheridan; will you kindly return the lease properly signed.

I am enclosing another lease to be signed by Andrew Solomon. Kindly have same signed and return.

My dear Sir:

I return to you herewith Mabel Gilpin's letter, which you submitted me with your own letter of October the 1st. Replying thereto I have to advise that there is no objection to your sending money for Mabel's use if she has funds from which extras not provided by the Government may be judiciously purchased. Such funds should be sent direct to me and they will then be allowed Mabel as may be deemed advisable.

The girl had asked permission to return to the school with the other students whose Outing periods terminated the latter part of August, but at her own request was later again allowed to go to an Outing home for the winter months. It is believed that she has now become definitely located for this school year.

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.

Miss Mabel Gilpin,  
Omaha Agency,  
Macy, Neb.

Dear Madam:

On checking over the pupils' bank accounts at this school, I find that you have a balance of 19¢ and I am enclosing a check for that amount. As the amount is so small and you may have some trouble in cashing the check, I suggest that you sign and endorse it and return it to me in the enclosed franked envelope, which requires no stamp, and I will send you the amount in postage. Please attend to this as soon as possible as we are sometimes caused considerable trouble by checks being held and not cashed.

With kind regards and best wishes, I am

Yours very truly,

  
Chief Clerk in Charge.

Dear Sir:

I am enclosing herewith check made payable to Mabel Gilpin, a former pupil of this school, in the amount of \$0.19. This closes out her bank account at this school.

I understand that Mable is married but I do not have her address and letters sent to her have been returned.

I will appreciate it very much if you will see that this check is cashed in order that it will not become outstanding.

Yours very truly,

*John Francis*  
Superintendent.
