Mr. E. D. Mossman,
Superintendent, Sisseton Agency,
Sisseton, S. D.

My dear Sir:

Referring to your letter of the 17th ultimo in regard to the return home of Donald Brown, I can now report that authority has been granted to keep him at Carlisle until the close of this school year if satisfactory arrangements cannot be made before that time to have him placed in some other school.

Just as soon as it is decided by the sisters what they desire to have done for Donald I will gladly cooperate further as may be required to effect his release for the purpose of continuing with his school work elsewhere.

For several months Donald has devoted all his time to the work at his trade in our Printing Department. Permission to discontinue his academic work was granted him at his request.

Very respectfully,

HKM.

Superintendent Lipps,
Carlisle, Penna.

Dear Sir:

I have a letter dated November 10th, 1915, and signed by your Mr. DeHuff stating that Donald Brown be sent home.

In reply will say that Donald Brown should not return here until his term expires. Should he come home now it will be impossible to put him in school. His people live in Sisseton and his associates as a rule are "tough". I hope he can be kept at Carlisle until next March at least when his sisters will be able to send him to the home of an older sister living in North Dakota. Is this boy attending school?

Very truly,

Supt. & S. D. Agent.

My dear Sir:

It has been directed by the Office of Indian Affairs that steps be taken at once to have a number of students now enrolled at Carlisle cared for in other schools because it is believed that they are not in need of Government aid. Among the number is Donald Brown.

Will you please have me advised how I can cooperate with you to carry out the directions of the Office?

Very truly yours,
