Mrs. Julia Contway,

Lodge Pole, Montana.

Dear Madam:

I respectfully state that your son, John Allen, has been given permission to sever his connection with this school as a student and that he leaves today for Scranton, Pennsylvania, where he intends to secure work at his trade.

John has been working at his trade away from Carlisle for the past eighteen months and returned here only last week. As he is old enough to look out for himself and his period of enrolment terminates this year it was believed advisable to grant him the request he made to be allowed to leave the school.

He has agreed to keep you informed where he is located and to keep in touch with us here.

Very truly yours,

HKM.

Mrs. Julia Cortway,

Lodgepole, Montana.

My dear Madam:

I submit below a statement that was received this afternoon from the Disciplinarian in charge of the quarters where your son, John Allen, has his room:

"I respectfully suggest that Mrs. Julia Cortway of Lodgepole, Montana, be instructed to send any moneys for John Allen, her son, to the school in the regular manner instead of directly to John as the money thus sent does more harm than good, and cannot be locked after by the people here. The last five dollars sent him this week was used by him for whiskey."

In view of the fact that John has used the money sent to him direct for whiskey it is requested that in the future all funds to be delivered to him be sent to me. He can then draw the same from our school bank and we will know definitely when he has money to spend and when he needs special supervision. By co-operating with me in this matter we can be of greater help to John.

Very truly yours,

Superintendent.

John Allen.

Superintendent Indian School,
Carlisle, Pa.

Dear Sir:

I am in receipt of a letter from John Allen, a pupil in your school, whose home is on this reservation, in which he states that he has finished the course in plumbing and electrical engineering in your school, and that he wishes to return home in order that he might make some use of the training you have given him. John has been at Carlisle about three years and I hope has made good use of the time.

There is no work in his line on the reservation and the opportunities for such a mechanic are quite limited in the small towns adjacent to the reservation. It seems to me it would be well if you could place John in some position where he could have an opportunity to earn something and become more proficient in the trade you have given him. His mother lives at Lodgepole, Montana, on this reservation, but the family is not enrolled here for the reason that they participated in some tribal benefit at Santee or Sisseton some years ago and were therefore dropped from the rolls at this place.

You may read this letter to John, and tell him that I do not care to make any recommendation in regard to his return, but that I hope you will do what you think is best for him.

Very respectfully

Dear Sir:-

I have your letter saying that John Allen has decided to remain with you another winter and am glad to arrange this for you. I enclose a set of Rules for your signature and his. Please return one copy to me.

John has chosen wisely and I hope his stay with you another winter may result in great gain to him not only in enabling him to become more proficient in his trade but in helping him to become a stronger and better man.

Thanking you for your interest in our boys,

Mr. John D. DeKuff - Acting Supt.
U. S. Indian School

Dear Sir - Yours of 19th received when I came home Saturday night from Hallstead Pa. Supposed John Allen had replied to your letter and matter decided although he volunteered no information.

This morning he decided to stay. I laid matter frankly before him, stating that if he intended to start shop, the experience would be invaluable as it could not be acquired in large shop.

He has kept last week to install pneumatic system in connection with bath-room, has had experience on small steam & hot water heating, removing & replacing tubes in high pressure boilers, pumps of different types &c.

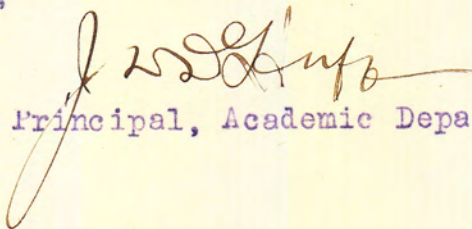

I also suggested the necessity of studying the different methods of installation, reading the journals devoted to the trade, laying out work in his mind as to how he would do it if left to himself, then watching how others do it, and reasons for so doing. He is not as ambitious as Luther Jacobs, but can do better work.

Mr. Lieber says he should stay.
Yours respectfully
Chas O'Byrne

I have reached this decision after an interview

September 18, 1914.

Mr. Weber

Do you have a plumber who wants to quit school and take this job ? Would you recommend that any of your boys do this ?

This is the place where we have had boys for several years, Nelson Simons, Josiah Saracino, Luther Jacobs and others. Luther has just left Mr. O'Byrne to take a job at \$25 a month and all expenses.

Respectfully

Mr. DeHuff

Mr. Weber recommends John Allen for this place. John has one more winter at Carlisle and Mr. Weber thinks that the time spent on his trade will be of more benefit than the same time spent in school.

It is not necessary that we fill this place this winter but if there is a suitable boy, he can go.

What do you advise regarding John Allen ?

Respectfully
