INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without special permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Miss Helen Welch,

C/o S. L. Williams,
Wilmette, Illinois.

Dear friend Helen:

Your letter of the 7th instant, came duly, and I was glad to learn that you still thought of your old school.

I have instructed the Printer, Mr. Brown, to place your name on the complimentary list for the "Arrow", our weekly paper, but the "Red Man" to ex-students and graduates is 50 cents a year. We shall be pleased to receive your subscription.

The autumn days here now are beautiful, and nearly all the trees on the campus have shed their leaves and are preparing for winter. With this I am sure you can form a picture of Carlisle at this time of the year. I hope you are putting into practice all the things that you learned while in attendance at this school, and I hope you are meeting with a great degree of success.

With kind personal regards, I remain,

Your friend,

Dear Madam:

Your sister, Helen Welch, will have to be returned home at the close of this year's work because it has been decided by the Office at Washington that she is not entitled to remain longer at Carlisle on account of her lack of a sufficient degree of Indian blood and the fact that she has access to other school facilities. You are hereby notified, therefore, that Helen will leave here with the party of girls starting on June the 6th and she should arrive in Chicago the following evening at five o'clock.

Trusting you can arrange to meet your sister at the Union Station at that time and that you will be able to help her find work which will be profitable to her, I am,

Very truly yours,

HKM.
