INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Mr. James E. Henderson,

My dear Mr. Henderson:

I thank you for the information you conveyed to me in your letter of November the 28th. Just as soon as it can be arranged to send Mr. Dickey to Bloomsburg an effort will be made to locate Roger Mumblehead.

I have complied with your suggestion by requesting the Philadelphia office of the Pennsylvania R. R. Company to cancel the order for transportation that had been placed at Almond.

My dear Mr. Friedman:

Referring to your letter of recent date, with reference to the return of Roger Mumblehead, who is now on leave from your School, I will say that I have seen his brother, James, who says that Roger left here about two weeks ago for Pennsylvania. He also says that letters and cards have been received from Roger at Creasey, Pennsylvania. Creasey is in the neighborhood of Bloomsburgh, Pennsylvania, and I remember that Roger lived with a farmer by the name of Joe Creasey for three years. Roger is probably in that neighborhood.

I would suggest that the transportation placed at Almond, N.C., for Roger, be cancelled.

Very respectfully,

Superintendent.

My dear Mr. Henderson:

Referring to your letter of November the 14th, I have to advise that when Roger Mumblehead's enrolment at this school was effected in August of 1906 it was noted on his card that the enrolment should continue "until graduates". Therefore, when he was given special permission to return home with his brother Bradley it was with the understanding that he would return to school after he had enjoyed a short stay at his home. At that time he placed a sufficient amount on deposit here to pay for his return transportation.

Complying with your suggestion I have written to Roger and I enclose herewith a copy of my letter to him. If there is anything you can do to have him return to this school without delay the favor will be appreciated, because he has made too good a start to give up his school work at

My dear Mr. Friedman:

Roger Mumblehead, who has been a pupil at your school for the past seven years, and who recently returned to this reservation, called to see me a few days ago and asked me to write to you for certain funds he has in the Bank at your school.

This young man is just at the period in his life when he could make the best use of his time, and I would suggest that you write to him at Almond, North Carolina, with reference to his returning to Carlisle and finishing his course there.

So far as I know, his conduct, since returning here, has been good, and he has spent some time working, but he could make far ^{better} ~~more~~ use of his time by returning to Carlisle and pursuing his trade.

It should be ready within several days and you can secure your ticket by calling on the Southern Company's agent there. Mr. J. D. Mumblehead,

Almond, North Carolina.

My dear Sir:

Your son Bradley's period of enrolment here has terminated and so it is being arranged for him to leave here for his home on Friday afternoon of this week. Bradley desires to return to Carlisle later in the fall, and for the reason that he is more than 21 years of age and not entitled then to transportation at Government expense he is depositing a sufficient amount to pay for his return transportation. It can be placed for him at any time.

Your son Roger was enrolled here "until graduation", but as he has been here for seven years without visiting his home it is being arranged now to grant him a vacation of three weeks or a month. He will return home with Bradley and at the termination of the period of leave transportation will be placed for his use.

I hope you will be well pleased with the boys

Mr. O. H. Lipps, Supervisor In Charge,

My dear Mr. Lipps:

Yours of May 17, regarding Lloyd Welch and
Roger Mumblehead has been received.

I believe that it would be wise to allow Lloyd Welch to visit his father since he has not seen him for several years. I have been informed that his father is prosperous and a good man. Lloyd has absolutely no home to come to here and no one to assume any control over him.

Regarding Roger Mumblehead, I will say that I think it best for him to remain at Carlisle or go out to the country and earn some money. If he were here he would spend the summer in idleness and would be worse off in the fall than when he came down here. I trust that you will let Roger know that I think a great deal of him and want him to make a good man. If he could get any work to do here that would keep him busy I would not object to his coming, but my observation has been that the returned student usually spends his summer in idleness.

Dear Sir:

I am sending Roger Mumblehead back to school because he is an outright failure. He has been very impudent with Mr. Bloomfield in spite of the fact that they all tried to be kind to him.

This is the third time I have been called to settle his troubles and I am not willing to put up with him any longer. I offered to transfer Roger to another

is so choicy that he
cannot be suited.

If Mr. Bloomfield
decides that he wants
another boy he will
write you.

Relative to Samuel
Mount, he should try
to get along with Welch
until the last of this
month at which time
we can recall Welch
if he does not do
well. I was in
hope that Welch
would do better

for Mr. Mount than
he did for Mr. Carter.
Walter is plenty large
enough to do the
work required by Mr.
Mount. If he cannot
earn 15 to 16 dollars,
there is something
seriously wrong.

Mr Mount is somewhat
offended at me because
they kept complaining
about Geo Cushing
and I told them they
should be willing to
meet us half way
and give the boy a

through trial before
making complaint.

I was not at
all anxious to place
Welch with them but
when they complained
so much about
George being too small,
I gave them Welch
as he is larger and I
hoped everything would
be right.

I see no show
for pointer boys in

Dear Friend:

Roger Mumblehead returned to the school last evening and will not be allowed any further outing privileges this season as he has failed to make use of the opportunity offered him so far. We are planning on sending out a party of boys the last of this month. If you wish to have one at this time let me know and I will be glad to arrange for one to go to you.

As Roger did not *make* his outing agreement with you, I will not ask you to pay his fare. You can take his fare both ways from the wages due him and send me the balance, if any, by check. In case you decide to take a new boy you can save time by enclosing a check for his fare in your letter. I might add we have some very good boys to go out in this next party.

Dear Sir

I feel quite sure
Roger Mumbhead did
not do his best while
under the cutting this
year, and I would
not be in favor of
giving him another
trial in a farm home.
However, since the
question of his

attending summer
school has come up,
I would not stand
in his way.

I can say in Roger's
favor, he has always
been an apt and willing
worker when well
suited. It might
be that he would be
a success in the
summer school. He
was a diligent student
when he attended
school at Cressy, Pa.
Roger's greatest
fault and that

which causes him the most trouble in his temper. He gets angry very quickly if he does not get things his way and makes things very unpleasant for all who are about him.

Roger had the same trouble with Mr. Creasy and Mr. Gore that he had with Mr. Bloomfield but to a less degree.

I recommend that he be given the chance to go to summer school, providing he has evident means and he shows honest endeavor.

Very Respectfully

D. H. Dickey.

Dear Mrs. Denny:

I am returning a post card which was sent here by mistake. Had I known Mary's address, I would have forwarded it directly to her.

We are nicely settled here, and every one seems to be satisfied. I know I am. I have to dig to get my

lessons, but as yet there are no indications of brain fever.

The campus is beautiful, and the fountains and lake make it especially attractive. There are three tennis courts, but I have not been out as yet.

How is Bob? Tell him his girl sends him a Scotch kiss, as that is the variety he seems to prefer.

I hope the summer will pass pleasantly for you at Carlisle.

With love,
Telle.

Dear Friend:

I have a request from Roger Mumblehead for money to pay his expenses in visiting his old country home in Lancaster County. He has asked for Ten Dollars (\$10.00) but as he has already had some money sent to him for this purpose I am enclosing a check for Six Dollars (\$6.00) which I think will be sufficient to see him through.

Very truly yours,

Acting Superintendent.

Mr. O. H. Lipps, Superintendent,
Carlisle Indian School,

My dear Mr. Lipps:

I am inclosing herewith a letter from Roger Mumble-
head, a pupil at your school. This letter is in answer
to one from me advising him to settle down at Carlisle and
make a good student. It seems, however, that my persuasion
has not been effective.

I do not believe it would be best for this boy to re-
turn to Cherokee as his home conditions are not such as would
be conducive to his welfare.

Very respectfully,

James F. Hudson
Superintendent.

Mr. Henderson,
Cherokee, N. C.

Dear Friend,

I have read your letter over several times, and I have been thinking the matter over very seriously.

And I have decide that I would like to leave Corlisle, as I don't like it here. And besides I have been here too long, as I will never graduate from here. For I will be at least twenty-five year old before I would ever graduate here.

And besides my father would like me to come home, and help him with the work. He said he had

lot of work to do. And he
only want me to stay here
for five year, but they made
me stay here longer.

So I promise you that
I would made good, and ^{find}
plenty of work at home on
my father farm.

I can't learn much here,
and so what is the use of me
staying here, when I don't
like it here. Let some other
boy come here, that would
make better use of his time
here. I know, I like it better
at home, than I do here.

Hoping to hear from you
soon.

Your Truly,
Roger Mumblehead

My dear Mr. Henderson:

Roger Mumblehead has recently renewed his request for permission to return home to assist his father with the work on the home farm. Roger has been advised that you expect to come to Carlisle with a party of students early in the new year and that then his request will be given consideration.

I report the matter to you at this time so that you will have an opportunity to find out how Roger's father is situated, as I understand he lives quite a distance away from the Cherokee School.

Very respectfully,

My dear Roger;

I am always very glad to receive a letter from one of my boys when he seems to be getting along as well as you are. I am glad to know you have taken a new start and I feel sure that if you go to the country you will find it pleasant and that you will accomplish more.

I am unable to tell you just how your father is getting along. Some weeks ago, I wrote him but have thus far received no answer. When I do hear from him I will be very glad to let you know. I hope that you will write me real often.

Very respectfully,

Carbon to Mr. Lipps:

June 8, 1915.

Mrs. Denny:-

The names of George Oshkeshequoam and Roger Mumblehead are "questioned" on Miss Reichel's list. Under the circumstances detailed by you, I do not think they ought to be permitted to go to Millersville. Miss Reichel states she got George's name from Mr. Lipps. If you have not already invited Mr. Lipps' attention to the previous correspondence relative to George's outing record, I would suggest that you do so now.

Respectfully,

A handwritten signature in cursive script, appearing to read "J. W. Lipps". The signature is written in dark ink and is positioned below the typed text "Respectfully,".

June 9, 1915.

Mr. DeHuff, Principal and Assistant Superintendent
Indian School, Carlisle, Pa.

Sir:-

In the list, submitted by Miss Reichel, of those pupils planning to attend the Summer School at Millersville, Pa., I note the names of Roger Mumblehead and George Oshkesequoam.

I respectfully call your attention to the attached correspondence showing the outing record of these two boys. It seems to me that whether pupils "make good" or fail under the outing, should be a matter to be considered in deciding what future privileges should be granted them.

Roger's outing failure has been so very recent that I would seriously object to his going out again, not only because I think he should be disciplined but because of the effect such action would have upon other outing pupils who know of his failure.

I recommend that ~~that~~ the statement in the letter dated May 15, that he "will not be allowed any further outing privileges this season" be carried out.

This Summer School arrangement is a new venture and it seems to me that in order to make the thing a success, only those pupils with good records that are indisputable, should be allowed to attend.

Respectfully

Outing Manager.

O. H. Lipps, Supt,
Carlisle Indian School,
Carlisle, Pa

Dear Sir:

You will remember that when Roger Mumblehead came to the cutting, it was with the understanding that he should be set free from Carlisle this fall. This arrangement meets with the approval of Mr. Henderson, his Superintendent, and I think the best thing for Roger since he does not want to continue school. Mrs. Denny and Mr. Myers both know about Roger's case.

Please write Roger giving him definite understanding as he has been inquiring of me.

Louis Bigham deserted from Mr. Gray the third time. I was compelled to confine him for drinking. Returned him to Mr. Gray last evening.
Respt O. H. Dickey.

Roger Mumblehead
Through Mr. J. G. Webster
Hulmeville, Pa.

Dear Roger:--

You were informed last spring before you went under the outing that you could be dropped from the rolls of the school on the expiration of your outing term, which would be the last of this month. This will be done so I would advise that you look around for a good place where you can work, if you have not already done this. Mr. Dickey may be able to help you find a good home.

I will ask Mr. Webster to send your wages to the school to be placed to your account here until you need it. I am sending this letter to Mr. Webster so that he may know what I have said to you.

Very truly yours

Chief Clerk in Charge.

Dear Sir:-

Replying to your letter of the 12th inst asking
if Roger Mumblehead is still a pupil here, I have to say that he
is/^{RCW}but the arrangements are to free him from the school the last
of this month. He has been a pupil here for a long time and while
he has not completed the course, it was thought best to let him
find work this fall, independent of the school.
