That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. Mrs. Lydia Thompson,
Upper Lake, Cal.

Dear Madam:

I have your letter of the 15th asking for the whereabouts of your son Norman.

The last address we had was Irving, New York, R. F. D. #1.

I am surprised to know that Norman has not kept in touch with you. You perhaps do not know then that he was married last July to one of the Carlisle Indian girls by the name of Beulah Logan. She belongs to a New York band of Indians and was quite a good girl. Shortly after his marriage he left the Ford Motor Company and went up to her home, and that is where he is located now. I cannot tell you just what he is doing, but a letter addressed to that point will reach him.

Very truly yours,

Dear Norman:--

I have your letter asking me for a recommendation and am glad to give you the enclosed which covers the period you were at Carlisle. My recommendation cannot cover the period you were at the Ford factory. My information from the authorities there is that you left them under a cloud.

I received the books which you sent to me and have turned them over the Mr. Blair, the principal.

To Whom It May Concern:-

Norman Thompson was a pupil of this school from October 8, 1910 to July 31, 1916, when he was released because of his marriage. During this time he worked half days in the carpenter shop where he did very good work as an apprentice.

His conduct while a student here was excellent. He was Captain of one of the boys' troops for several years. Because of his excellent record here, he was selected as one of the boys to go to work in the Ford factory, in the first party sent up there.

Dear Sir:

I am enclosing herewith a check for the amount of \$3.73, which is to balance your account on the books of this school. As this amount is somewhat small, the bank will probably want to charge you a small amount for its collection. I would advise you to sign and endorse the check and return it to me, and I shall be glad to mail you either money or postage covering same.

I am also enclosing a franked envelope for reply, which requires no postage, and will thank you to give this matter your early attention.

Dear Norman:-

I had your sabre boxed and sent it by express, charges collect last Saturday. I enclose the way-bill which you can hold until you get the sabre in good condition.

You are right about the check for \$2.60. Mr. Miller thought that it was to pay your Church dues because the amount was the same as others had to pay. He has looked back to the check stubs and finds that this amount was used to pay for your sleeper and one meal enroute to Detroit.

I have the Ford Times for February and am pleased to see the picture of the boys. I trust you are all getting along nicely with your school work now.

Mr. Lipps.

Received your letter this evening which I thank you for giving me a full account of my savings at school, but I do not understand about the \$2.60 for church

I remember I drew \$12.00
once when I was sick, and
\$25.00 during the inventory,
but about \$2.60 drawing
last march I really do
not remember.

I remember I signed
check for \$2.00 and some cents
for my sleep and one meal
when we first went to
Detroit, I believe these
three checks is the only

checks I received from
school, that is if I am
not mistaken.

The boys that are
stopping at 116 Grand

Gus Lookaround, we
are all satisfied with
the place for cleanliness.

How is Homer getting

along?

Mr. Lipps I wish you would send my saber to Detroit when you have spare time, of course I will pay for the express at Highland Park. I have my uniform with me and I would like to have my picture taken with the saber.

My dear Madam:

This is to acknowledge receipt of your letter of the 21st instant reporting that you have not heard from your son Norman for about a year. I am sorry to learn that Norman has not kept in closer touch with you and I have just written him that he should let you hear from him without delay.

On the 1st of January a year ago Norman and five other young men from this school were selected to go to the Ford Motor Company's factory in Detroit, Michigan, to take a special course of work in preparation for accepting employment in one of the many branch houses or assembling plants of that great company. He has done very good work and for more than six months has earned his five dollars every working day. In a very little while he should be qualified to take a position in one of the company's places of business outside of Detroit.

Trusting you will hear soon from your son and that

She will be pleased to know that you are prospering and that you are being given so splendid an opportunity to make use of your ability.

Your mother is being informed that such a letter as this is being written to you and that she will probably hear from you direct in the very near future. Please do not delay writing your mother as I have suggested.

Kindly remember me to all our boys at Detroit and accept my best wishes for continued success in your work.

Mr. Norman Thompson,

My dear Norman:

I am very glad to know that you are getting along well with your work up there and that you are saving your money. It is a mighty important thing that you boys save your money. You are unusually fortunate for young men just out of school and you should save up a good nestegg now so that when you decide to get married and settle down in life, you will have something to start on. I have talked to Mrs. Ewing to arrange for Beulah to take domestic science. Mrs. Ewing thinks Beulah will need all of this sort of training she can possibly get.

I am not going to send any more boys to Detroit until after I have seen Mr. Ford and talked with him regarding matters. I do not know just how to handle some of the problems I can see ahead in this business. I expect to go up there some time next month.

The balance to your credit in bank here is \$92.35.

Please give my best regards to all of the boys there and tell them that I expect to get up there before very long.

Mr. G. H. Lipspe,
Carlisle, Pa.

Dear Sir -

First of all I will state that I am well in regard to my health, also the rest of the boys are all well.

We are having pretty hot weather this week, in the factory is awfully hot and when quitting time comes it is quite a relief to come out where we can get fresh air.

Mr. Lipps will you kindly let me know how much bank account I have at the school bank, that is with the last check of \$13.75 I sent to the school bank, I like to know because I have started a bank account in Highland Park since my \$5.00 a day, and I am figuring to save at least \$70.00 a month if nothing goes wrong, but I hope not.

Mr. Lipps I am now going to talk business with you secretly in regards to my intentions of doing next summer, I am going to get married next Sept. and the girl is at the school now. I told

the girl that I was going to write you a letter and tell you about it, now what I am going to ask you is to see that she take up the work that will help her in the future. Now Mr. Lipps will you take it as a matter of favor and see that she takes up Domestic Science & Home Economics. I know she will be glad if you call her up to your office and talk the matter over with her. The girl is Miss Beulah Logan of New York.

Maybe I am asking to much at one time Mr. Lipps, another thing I in regards to my sword I liked to have it engraved some

wheres on the sword, I like to have the date we had it out, the name of the troop, of course my name should not be left out. You can let me know if this can be done.

I am anxious to hear the latest news from the school, especially the prospect of the foot ball team, and I will be expecting for the school Arrow next week.

Mr. Lipps are you sending up some more boys to Detroit, and if you are I wish you would be very particular who you are going to send to Detroit.

Mr. Lipps I will now come to its conclusion hoping to hear some interesting news from the school.

Remine me to my friends and teachers.

Dear Sir.

Received your
letter yesterday and
was sure glad to
received it.

Mr. Papps I am getting
better every day now
and have been to

work since last Tuesday,
of course I am having
an easy job, setting
down, that shows how
much interest the foreman
have towards us boys, the
three head foreman in
our department are certainly
good class of men.

In regards to our
vacation and it is understood
that the plant is to shut
down for two weeks, some
of the employees say it
might shut down on the
17th and some say on the 20th,
and of course it may
shut down before, anyway
it is going to shut down

This month.

If I am able to get around
lively I may take a trip like
I did last summer, and
I may stay at home, even
then I half to pay my board
bills.

Mr. Lipp even I stay at
home or take a trip I need twenty-five
dollars for my vacation, this is hitting
little to hard but it becomes necessary
to do so. Yours truly. Norman Thompson.

Dear Friend:

Your letter of the 1st instant saying you had been sick for almost two weeks is the first information I have had about you. If you do not get well soon and not able to do the work required of you, I would advise you to return to the school where you can get your board and treatment free of cost. I am sorry to know you have been suffering. I enclose herewith a check for \$12.00. This being the amount you asked for to pay your board. You can write me later about the money you need for your vacation trip.

Dear Sir:

No doubt you have heard of me laying off from work for almost two weeks now, and it is due of swollen knee, I am up walking around now and will be on duty for work next Tuesday.

The question is that I have to draw some money to pay for my board for two weeks which is \$12.00. next Monday is the day when we pay our board bills and I would like to receive the

then.

I Mr. Lipps I may have
to ask for some ^{more} money
for the vacation we are
going to have, I understand
that the vacation starts

this but that's what I heard

Mrs. Lydia Thompson,
Upper Lake, California.

My dear Madam:

Replying to your letter of August the 17th, in which you again request that permission be given your son Norman to return to your home without delay, this is to advise that on August the 20th I wrote to you as follows:

"Having learned from Superintendent Wilson of the Round Valley School at Covelo that your illness was not serious enough to warrant me in sending your son Norman to you at Government expense the consideration requested by you in your letter of August the 3rd cannot be given at this time.

Norman did not have sufficient funds to his credit here to pay for his transportation, and since then he has been allowed an amount of \$25.00 from his funds to take a short vacation trip to Niagara Falls, New York. Under the circumstances if his return home is desired before his period of enrolment has terminated the funds for his transportation will have to accompany the request."

Very respectfully,

Upper Lake, California.

My dear Madam:

Having learned from Superintendent Wilson of the Round Valley School at Covelo that your illness was not serious enough to warrant me in sending your son Norman to you at Government expense the consideration requested by you in your letter of August the 3rd cannot be given at this time.

Norman did not have sufficient funds to his credit here to pay for his transportation, and since then he has been allowed an amount of \$25.00 from his funds to take a short vacation trip to Niagara Falls, New York. Under the circumstances if his return home is desired before his period of enrolment has terminated the funds for his transportation will have to accompany the request.

Very respectfully,

HKM.

Supervisor in Charge.

Norman:

I submit below for your information a copy of a telegram that was sent yesterday by Superintendent Wilson of the Round Valley School at Covelo, California, and was received here this morning at eight o'clock:

"Your telegram 10th. Lyda Thompson is in good health and at work."

Very respectfully,

HKM.

Supervisor in Charge.

To Supervisor O. H. Lipps in charge
Carlisle Indian School.

Dear Sir.

It was a pleasant surprise
to us to be invited to assist in the
inspection of the Girls Quarters
Saturday Oct. 31, 1914.

We are surprised to find that
we have no criticism to make at this
time. We are delighted to find the rooms
looking so well. It is somewhat due
to the tin ceiling and painted walls
which we are not fortunate enough
to have just now.

Although a neat and clean room is
expected of a girl we must say that
we believe much time was spent in
preparation and much credit is due
them.

We were also surprised to find
the girls so embarrassed when we made
our appearance and we hope that their
attitude will be improved by the
next General Inspection.

Signed
Norman Thompson
