INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

That no Indian pupil under the age of fourteen years shall be transported at Government expense to any Indian school beyond the limits of the State or Territory in which the parents of such child reside or of the adjoining State or Territory. (35 Stat. L., 781.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case; but in all cases where the parents are living they should first be consulted.

Mr. Albert H. Kneale,
Supvr. in Charge, Standing Rock Agcy.,
Fort Yates, N. D.

Dear Mr. Kneale:

I thank you for the information you conveyed to me in your letter of October the 17th. The certificate of your Mr. Power has been filed with the application that was submitted to cover the transfer of Lusetta Ruth Waggoner and is sufficient to establish the girl's age.

In this connection I beg leave to report that the bill for the tickets that were issued thru your office has been received here. Among the tickets charged is the one for Mrs. Madden, but as the same cannot be paid for from government funds I would thank you to secure a remittance of \$34.18 to cover the cost of the ticket. If a check is sent it may be made payable to the C., M. & St. Paul Railway Company.

Very truly yours,

HKM.

Mr. O. H. Lipps,
Supervisor in Charge, Carlisle Indian School,
Carlisle.
Pa.

Dear Mr. Lipps:

I have your letter of October, 13th., relative to the Indian pupils transferred to the Carlisle School, and note that it is stated Lusetta Ruth Waggoner will not be fourteen years of age until December, 6th., hence you are unable to pay her transportation from Government Funds. It is evident that the application is in error for the records of this office show that she will be fifteen years of age in December, instead of fourteen, as evidenced by the enclosed certificate of Harvey O. Power, Issue Clerk, who in the absence of other clerical assistance had this matter in charge and prepared the applications.

Trusting that this will clear up the matter fully, I am as ever

Yours,

Supervisor in Charge.

Keldron, South Dakota.

My dear Madam:

You are hereby notified that in compliance with instructions from the Indian Office at Washington it will be arranged so that your son and daughter can leave here during the first full week in June for your home. Etta will be started with the party of girls on the evening of the 5th of June and Levi will start with the boys the following evening.

Trusting you will be well pleased with the progress that has been made by your children and that you can arrange to have them take additional school work next year, I am,

Very truly yours,

Mr. Claude C. Covey,
Superintendent, The Standing Rock Agency,
Fort Yates, N. D.

My dear Sir:

It has been directed by the Office of Indian Affairs that steps be taken at once to have a number of students now enrolled at Carlisle cared for in other schools because it is believed that they are not in need of Government aid to enable them to continue with their education. Among the number are Levi and Wita Waggoner.

Will you please advise me whether the parents can provide the amount that will be required to pay for their children's transportation home and in what way I can cooperate with you to carry out the directions of the Office?

Very respectfully,

HKM.

Acting Superintendent.

Mr. Claude C. Covey,
Superintendent, Standing Rock Agency,

My dear Sir:

If you will refer to the letter that was addressed to you from this school on November the 10th of 1915 you will note that Etta Waggoner's return home had to be effected at the request of the Office at Washington for the reasons noted further therein. Under the circumstances I am not at liberty to reconsider the matter unless I am authorized to do so by the Office.

Regretting that a more favorable reply to the inquiry contained in your favor of the 7th instant cannot be conveyed to you, I am,

Very truly yours,
