The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them is living, and if neither of them is living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, that hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case.

This form is to be used only in transfers from reservations, or Indian schools, to nonreservation schools.

Any general statement or wishes of patron or pupils, together with Agent's estimate of place, people, and pupil:

When placing Sophia Watanasum on the Quoting I did not have much faith in either her ability or her desire to do any real work. What in quarters she had shown a disposition to be excused frequently from work and was not at all reliable.

In the country she has shown a marked improvement to be helpful and a desire to improve.

She is attending private school - 2 hrs. a day from 3 P.M. to 5 P.M. for which Mrs. Stoner pays \$3.50 per mo. Sophia began school about Oct. 1st and by March, 1st will have been in attendance 100 days - 100 half-days which equals about only 50 full days.

Mrs. Stoner did not know the rule about not sending Sophia to private school and hitherto the girls had been allowed to attend private school.

Mr. Joseph Wabanascum,

Neopit, Wis.

My dear Sir:

When your letter of October the 19th came to me I referred it to our School Matron with a request that she take the matter mentioned therein into consideration with your daughter Sophia. It has now been reported to me by the Matron that she had a talk with Sophia and that the letter desired by you has been written.

Thanking you for bringing the matter to my attention and assuring you that I will gladly co-operate with you at any time to do what is best for your daughter, I remain,

Very truly yours,

HKM.

Dear Sir:

I like to know what
is the matter, with my daughter
Sophia, at anascum,

She has not wrote to me for
three months,

And to day I heard she
sent her report card to her
Aunt, and thats what I
dont want her to do. I am
her Father and I want her
report cards, I am the one
that raised her, not her
Aunt, I got two more and
they will not go away from

home to attend school, and
then forget me, I want to
get a letter from her at
once, it may not be your
fault but see that she writes
home

From yours truly
Joseph Watanasum

April 16th, 1915.

Mrs. C. Wabanascum,
Box 65, Neopit, Wisconsin.

Dear Madam:

When your letter of the 12th instant was received here, to which you had attached a part of a letter that was written to her father by Sophia Wabanascum, the entire matter was brought to the attention of the School Matron. When Sophia was seen regarding the complaints she made to her father and about the funds she desires in order that she can attend the summer sessions of some school her principal concern seemed to be to find out who had written me relative to her desire to make trouble.

Sophia has no regard whatever for the truth and it is a most difficult matter to appeal to her in any way. When her period of enrolment at Carlisle has terminated she will have to leave, but at her age and with her tendencies the only way to save her is to have her confined in some Catholic School where the personal care of those in charge may be the means of changing her. Your kind offer to help her when she does come home should be appre-

ciated, but, much as I regret to make the statement, her disappointing actions time after time here justify me in remarking that she will be a mischief maker and entirely unappreciative.

Very truly yours,

HKM.

Mr Lyppo

Dear Sir

I wish to call
your attention to Sophia she
is my step daughter And seems
to make it her business to
keep making trouble between
her Father and I. A while ago
she sent a letter home say-
ing that I were to ran
her Father Store Bills buying
Costly Cloths And if I must
say so he work everyday
And built a new house
And keep me saving to
get ahead And can't get

only just enough to keep
my little children and my
self in good plain every
day clothes And try and
get out of debt besides
the high cost of living
And my little children
both been sick mostly
all winter my husband
just took the little
girl to Shawano to have
her arm lanced by the
Doctor, and to think Sophia
would cause trouble
to beside what I have
here out side of our
little family was I
you would do me

A great favor if you would
give her a talking to not
only on my part but
for her own good I
don't wish to make
her the cause of a fault
but he was a very bad
^{before we ever married} in some ways although
he is a good worker
and very kind hearted
and Sophia is hard to
get along with I don't
do and wish to do what
I can for her I did give
her a cutting down in
my last letter but I am
sure she deserved it
As far as talking

her Papa back she is
mistaken for I told him
what I riters to her
And I am not behind
hand what I say to
him as she says
I will close **Thanking**
you very much if
you will do me the
favor I ask of you And
~~when~~ she come home
she will be treated good
if she does right again
Thanking

Remarks and recommendations of superintendent with reference to eligibility and need of Federal aid:

Superintendent.

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.
