Mr. M. Friedman, Supt.  
Indian School,  
Carlisle, Pa.

Dear Mr. Friedman: -

I am going  
to ask a very great favor  
of you. My mother has been  
down here ever since she  
left the school and seems

~~seems~~ to be unable to find work without a recommendation. Would you be so kind as to help her? She has had very much experience as a practical nurse and is a good child's nurse. She isn't particular where the work is only that the people are nice. For any work in the nursing line she always gets ten dollars and for taking care of children, five dollars a week. If you could not get her this kind of work she would be glad if you could get her table or chamber work in a private family at a fair price.

I am working quite hard,  
and doing my best to fulfill  
your highest expectations.

Your kind and prompt  
attention in behalf of my  
mother would be very much  
appreciated.

Yours respectfully,  
Miss Eva M. Simons.

P.S. my mother's address is 1828  
Wylie St, Phila, Pa.

**INDORSEMENT.**

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

My dear Eva:-

I have your invitation to be present at the graduation exercises of the Training School for Nurses to take place Tuesday afternoon next and wish to thank you for the same. I regret that I will not be able to be present to see you graduate. I want however, to extend my hearty congratulations and I trust that you may have a very successful commencement.

PHILADELPHIA, April 17<sup>th</sup> 1916

My dear Mr. Dr. Huff:

Your letter dated April 12<sup>th</sup> received and contents noted. In regard to admitting more of the Indian girls to our school, I regret to say that I feel that I cannot <sup>do so</sup> at the present time. The one we have is a very nice girl, and well behaved, and yet there have been objections made both by the patients and some of our officials and hence my conclusion.

I hope you may be more successful in trying to place them elsewhere.

Very respectfully

Sr. Marie Kowalek.

Miss Eva M. Simons,

Mashpee, Massachusetts.

My dear Friend:

I have received your letter and am pleased to know that you have decided to enter the Indian School Service. There is much work to be done thruout the Indian country and our Indian girls should be best fitted to do it.

As is requested by you the Indian Office is being asked to arrange so that an examination will be authorized to test your fitness for appointment and you will probably be notified direct when to report to the Postmaster at New Bedford. If there is anything more I can do please do not hesitate to write to me.

Trusting you are enjoying your rest at home and that an appointment can be tendered you in time for you to go to work at the opening of the next school year, I am, with best wishes,

Your friend,

HKM.

Dear Mr. Lipps:-

Yours of the 22<sup>nd</sup>

you will arrange for me to take  
the examinations to enter the  
Service. As I am home, New  
Bedford Mass. is the most  
convenient place for me to  
take them.

Miss Eva M. Simons,

German Hospital, Philadelphia.

My dear Friend:

I have noted the request contained in your letter of January the 20th, and in reply thereto will state that I could not well give your mother a letter of recommendation that would be of general use. Let me suggest, however, that she use my name as a reference and then the people to whom she applies for employment can write to me for a recommendation. That will give me a chance to answer specific questions and it should prove to be of far more value to your mother than just a letter containing general information.

I will gladly do what I can to assist.

Assuring you that I am pleased to hear of your own continued determination to make the best use of your time, I am, with best wishes,

Your friend,

HKM.

Superintendent.
