Mr. Omar L. Babcock,
Superintendent, The Winnebago Agency,
Winnebago, Nebr.

My dear Mr. Babcock:

I must report that no sooner was William Thomas released from the Cumberland County jail in Carlisle and allowed to return to this school than he picked a quarrel with another boy here and gave him a beating. This is the third offense, for one of which he was sentenced to a 90 day term in jail.

As the Indian School rules do not allow us to give the fellow the thrashing which is the only means of ever settling such a cowardly bully, his return home must be effected, unless his parents authorize me in writing to turn him over to some of our Cadet officers to give him just punishment.

If his return home is desired I must insist that a sufficient amount of his funds be turned over to me to reimburse the government for the amount that had to be expended to bring him to Carlisle and with which to procure a ticket for his going home. I take this stand because I have learned that he was trouble maker at the Pipestone

46.
-2- Mr. Omar L. Babcock, Superintendent.

School and that I should not have been urged to accept him for enrolment at Carlisle without a full statement of the facts in his case.

Yesterday his offense was referred to a court martial here and it is the consensus of opinion among our Cadet officers that he should go to the Reformatory, but as that is not feasible I hope I shall have your cooperation to the extent that money will be made available soon for his return home. Under no circumstances will he be kept here unless it can be agreed that he may be given the punishment such a fellow as he deserves and needs.

Very respectfully,

HCM.

Mr. Albert Logan,

Walthill, Nebraska.

Dear Sir:

I enclose herewith William Thomas's report card for the month of March. He did not write his usual monthly home letter to you because he is confined to our school guardhouse at this time for safekeeping until it is learned from Superintendent Babcock what can be done about getting him away from Carlisle.

William was recently in jail in Carlisle for making a cowardly and murderous assault on one of the boys at this school. It was his second such offense for the year and so soon after was he released from jail than he repeated the attack. As the Indian School rules do not allow us to give him the thrashing which alone will have an effect on such a quarrelsome fellow as William has proved himself to be our only recourse is to get him away from Carlisle.

Very truly yours,

HKM.

Superintendent.

Mr. Omar L. Babcock,
Superintendent, U. S. Indian Agency,

My dear Sir:

Referring further to the matter I had to report to you on the 29th ultimo, this is to advise that William Thomas and the fellow who aided him in assaulting one of our boys was sentenced yesterday to a ninety day term in the Cumberland County jail when a plea of guilty was made.

As William's return home will have to be effected as soon as he is released from jail it is desired that you co-operate with me in making available the balance that will be required at that time to purchase a ticket for his use to his home. He now has an amount of \$20.74 to his credit in our school bank.

My dear Sir:

I had written you this morning that Willie Thomas deserted from his Outing home on the 15th instant, but before the letter was signed and mailed he was brought in from Trenton, New Jersey, by a constable. It is now being arranged so that he can leave here tomorrow evening for Winnebago and a ticket for use to that point is being procured for him.

As the expenses of his arrest and return to school have been paid from the amount you transferred here several days ago there will not be a sufficient balance to pay for his transportation home, but it is believed that under no circumstances should such a character be allowed to remain here and settlement for any unpaid balance will have to be made from Government funds.

Trusting that he can be made to pay the full penalty of the law for his other wrong-doings, I remain,

When William Thomas had to be released from Carlisle last month you were notified that the balance of the cost of his ticket not covered by funds he had to his credit here would have to be settled from Government funds, but before the entire matter is referred to the Office for a decision I desire to be advised whether there is any way to collect an amount of \$2.49 from him. Can he be put to work until he has earned that amount?

It will be appreciated if you can let me hear from you without delay as I am anxious to have the entire transaction completed.
