UNITED STATES INDIAN SCHOOL

CARLISLE, PA.

OUTING SYSTEM

MRS. NELLIE R. DENNY, Manager.

MISS LIDA M. JOHNSTON, Girls' Agent.

MR. D. H. DICKEY, Boys' Agent.

May 9, 1916.

Mr. O.H. Lipps,
Supt. Indian School,
Carlisle, Pa.

Dear Mr. Lipps:-

Miss E.C. Taylor, Superintendent of Nurses in the Lancaster Hospital, gives me the following report for Ozetta Bourbonnais who will graduate on May 25th.

When Miss Taylor took charge in February and instituted more rigid rules, Ozetta never showed the least resentment toward the new order but applied herself most diligently and her examination marks are very high.

In actual practice of her nursing, she is not considered reliable. She has been punished for "Charting medicine when it had not been given." Her excuse, when questioned, was, "I was just going back to give it." In another instance medicine was given to the wrong patient through her negligence. Another offense for which she was punished was for having the enclosed picture taken.

Her actual duties end May 18th and many of the senior nurses leave for the week. Miss Taylor suggests that because she seems to be so well known in the town and it would save the expense of returning to Carlisle for so short a time, ~~that~~ she remain at the hospital the week prior to commencement day, May 25th. Ozetta is opposed to this plan and states that she has taken a room with reliable people for that week but will do whatever you think is best. She will write her plans to you.

Will you kindly advise Miss Taylor as to Ozetta remaining in the hospital for that week.

Very respectfully,

Lida M. Johnston.

The General Hospital
Lancaster, Pa.

Dear Ozetta:-

I am sorry to have to file with your permanent record here at the school, the report and photographs of you which Miss Johnston has given to me. Neither I am sorry to say, is a very great credit to you.

Nearly every day I have letters from people who want to employ Carlisle graduates and ex-students, asking me to look up their records while they were students here. These letters come from Superintendents in the Indian Service and from people in the large cities all over the United States. The record you are making now will count either in your favor or against you when you apply for work in the future, whether it be in the Service or in one of the large cities. So you see how very important it is that you watch every action of yours and make your record clean every day.

I note also that there are two things against you as a nurse. I cannot impress upon you any stronger than I know Miss Taylor has, how very important it is that you should obey implicitly all orders of the physician in charge and that under no consideration should you ever try to deceive.

Miss Johnston tells me that you are to graduate on the 25th of this month., and that there has been a question as to what you shall do the week preceding your graduation, as your duties end the 18th. I want you to remain in the hospital that week, Ozetta. I believe this will be for your best interest. If after your graduation, you want to come to Carlisle, I will be glad to have you do this and spend a few days of rest.

Wishing you a successful commencement, I am

Very truly yours

Superintendent.

My dear Friend:

Replying to the letter which you addressed to Mr. Meyer at this school on May the 3rd, this is to advise that the party of home-going students will probably leave here during the second week in June. Therefore, if you desire to visit with your sister before she leaves for her home you should take up at once with the Superintendent of the Hospital where you are located your request for permission to do so.

If you can be spared from your work I shall not object to your coming here for a two week's visit, but I should like to hear from the Superintendent that such an arrangement can be made without inconvenience.

Please let me hear from you if I can be of further assistance.

Very truly yours,

HKM.

Dear Mr. Lipps: - I received the arrow this morning as usual, and I am really ashamed to admit that I have not written a few words of thanks.

As I certainly enjoy reading the arrow and would feel lost without it.

I want to extend my thanks to you and the school for your kindness.

I often long to be back at dear old Carlisle. You can only realize what a help Carlisle is to us after we are absent.

I am getting along splendidly with my work, and I shall never regret entering the hospital.

Extending my best wishes to all.

I am yours truly,
Opette Marie Bourbonnaise
