INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them is living, and if neither of them is living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, that hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case.

Dear Mr. Everest:

I am having enclosed herewith a copy of a telegram that has been sent to Rose Beauregard's mother. It was in reply to a telegram as follows that was sent to me on Saturday night by Mrs. Beauregard:

"Rose Beauregard's father dangerously ill - tuberculosis. Send her home and wire instructions."

It will be appreciated if you will explain further to the mother what the trouble with Rose is and to have you recommend and assist as is desired so that our record in the matter may be complete.

Very truly yours,

Mr. P. S. Everest,
Superintendent, La Pointe Agency,

Dear Mr. Everest:

Referring further to the report that is contained in my letter of March the 21st relative to Rose Beauregard, I submit below for your information a copy of a statement that was handed to me this afternoon by our school physician:

"You may now report to Rose Beauregard's people that she was operated upon for piles and is doing very nicely. The reason for performing a redical operation was excessive loss of blood. Rose is not suffering pain at this writing, but is resting very comfortably."

Very respectfully,

HKM.

Superintendent.

Mr. P. S. Everest,
Superintendent, La Pointe Agency,
Ashland, Wis.

Dear Mr. Everest:

Our school physician finds it necessary to operate on Rose Beauregard to arrest the emaciation that is caused in her case through a loss of blood on account of a very severe attack of piles. As is customary when more than a local anesthetic has to be administered to any of our students it was suggested to Rose that her parents' consent to perform an operation be secured. She stated that she is entirely willing to have the operation performed and that she would prefer not to have her mother notified because of the latter's nervousness and the result that she would be unduly worried.

Believing that nothing could be gained by delaying the operation, I report the matter to you and have advised our Dr. Rendtorff to go ahead as may be required to effect relief.

Trusting that the action being taken will meet with your approval and that a successful operation can be reported soon, I am,

Very truly yours,

HKM.

Superintendent.
